The complaint names as respondents Nokia Corporation (Nokia Oyj) of Finland; Nokia, Inc. of Sunnyvale, CA; Samsung Electronics Co., Ltd of South Korea; Samsung Electronics America, Inc. of Ridgefield Park, NJ; Samsung Telecommunications America, L.L.C. of Richardson, TX; Sony Corporation of Japan; Sony Mobile Communications AB of Sweden; Sony Mobile Communications (USA), Inc. of Atlanta, GA; ZTE Corporation of China and ZTE (USA) Inc. of Richardson, TX. Proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five (5) pages in length, inclusive of attachments, on any public interest issues raised by the complaint or section 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the

United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions must be filed no later than by close of business, eight calendar days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on August 29, 2013, based on a complaint filed by The Clorox Company of Oakland, California ("Clorox"). 78 FR 53479 (Aug. 29, 2013). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain laundry and household cleaning products and packaging thereof by reason of trademark infringement and trademark dilution. The notice of investigation named Industrias AIEn, S.A. de C.V. of Sta. Catarina, Mexico and AIEn USA, LLC of Houston, Texas (collectively, "AIEn") as respondents.

On November 27, 2013, Clorox and AIEn filed a joint motion to terminate the investigation in its entirety based upon a settlement agreement. On December 3, 2013, the Commission investigative attorney filed a response in support of the motion. No other responses to the motion were filed.

On December 3, 2013, the ALJ issued the subject ID, granting the joint motion to terminate the investigation in its entirety. The ALJ found that the settlement agreement complies with the requirements of Commission Rule 210.21(b) (19 CFR 210.21(b)) and that terminating AIEn from the investigation would not be contrary to the public interest. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

Issued: December 19, 2013.
