RAILROAD RETIREMENT BOARD**Proposed Collection; Comment Request**

SUMMARY: In accordance with the requirement of section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is

necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Placement Service; OMB 3220-0057 Section 12(i) of the Railroad Unemployment Insurance Act (RUIA), authorizes the Railroad Retirement Board (RRB) to establish maintain, and operate free employment offices to provide claimants for unemployment benefits with job placement opportunities. Section 704(d) of the Regional Railroad Reorganization Act of 1973, as amended, and as extended by the consolidated Omnibus Budget Reconciliation Act of 1985, required the RRB to maintain and distribute a list of railroad job vacancies, by class and craft, based on information furnished by rail carriers to the RRB. Although this requirement under the law expired effective August 13, 1987, the RRB has continued to obtain this information in keeping with its employment service responsibilities under section 12(k) of the RUIA. Application procedures for the job placement program are prescribed in 20 CFR part 325. The procedures pertaining to the RRB's obtaining and distributing job vacancy reports furnished by rail carriers are described in 20 CFR 346.1.

The RRB utilizes six forms to obtain information needed to carry out its job placement responsibilities. Form ES-2, Supplemental Information for Central Register, is used by the RRB to obtain information needed to update a computerized central register of separated and furloughed railroad employees available for employment in the railroad industry. Form ES-20a, Notice of Employment Referral and Form ES-20b, Notice of Employment Referral (Employer), are used by the RRB to refer unemployed railroad employees to local employers (railroad and nonrailroad). Form ES-21, Referral to State Employment Service, and ES-21c, Report of State Employment Service Office, are used by the RRB to provide placement assistance for unemployed railroad employees through arrangements with State Employment Service offices. Form UI-35, Field Office Record of Claimant Interview, is used primarily by RRB field Office staff to conduct in-person
