## FEDERAL ACCOUNTING STANDARDS ADVISORY BOARD

### Issuance of Statement of Federal Financial Accounting Standards (SFFAS) No. 24

**AGENCY:** Federal Accounting Standards Advisory Board.

**ACTION:** Notice of Issuance of Statement of Federal Financial Accounting Standards (SFFAS) No. 24.

*Board Action:* Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463), as amended, and the FASAB Rules of Procedure, as amended in October, 1999, notice is hereby given that the Federal Accounting Standards Advisory Board has issued Statement of Federal Financial Accounting Standards (SFFAS) No. 24, *Selected Standards for the Consolidated Financial Report of the United States Government*.

The Board approved the Statement in October 2002, and submitted it to FASAB principals for a 90-day review. The review period closed on January 27, 2003.

SFFAS No. 24 states for the first time that all SFFAS's apply to all Federal entities (including the consolidated Government-wide entity) unless a standard specifically provides otherwise. In addition, it clarifies that the Statement of Budgetary Resources and Statement of Financing, while relevant for agencies executing the budget, are not required for the Government-wide CFR.

However, SFFAS 24 requires new statements for the CFR, but not for agencies or departments. The new statements provide information on net operating revenue (or cost), budget surplus (or deficit), and cash. The new statements are principal CFR financial statements and are to be presented on a comparative basis.

The standards prescribed in SFFAS No. 24 are effective for periods beginning after September 30, 2001. Hard copies of the statement will be mailed to the FASAB mailing list. It is also available on the FASAB web site at <http://www.fasab.gov> or by calling 202-512-7350.

## FEDERAL ACCOUNTING STANDARDS ADVISORY BOARD

### Issuance of Statement of Federal Financial Accounting Concepts (SFFAC) No. 4

**AGENCY:** Federal Accounting Standards Advisory Board.

**ACTION:** Notice of issuance of statement of Federal Financial Accounting Concepts (SFFAC) No. 4.

*Board Action:* Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463), as amended, and the FASAB Rules of Procedure, as amended in October, 1999, notice is hereby given that the Federal Accounting Standards Advisory Board (FASAB) has issued Statement of Federal Financial Accounting Concepts (SFFAC) No. 4, *Intended Audience and Qualitative Characteristics for the Consolidated Financial Report of the United States Government*.

The Board approved the Concept in October 2002, and submitted it to FASAB principals for a 90-day review. The review period closed on January 27, 2003.

SFFAC No. 4 identifies the primary audience of the Consolidated Financial Report of the U.S. Government (CFR) as external users represented by citizens and their intermediaries. Further, it describes the characteristics of the audience and the qualitative characteristics FASAB believes will aid in meeting the financial reporting objectives of the CFR. Finally, the concepts document provides that the CFR should be a "general purpose" report that should be highly understandable and timely.

The concepts prescribed in SFFAC No. 4 are effective for periods beginning

after September 30, 2002. Hard copies of the concept will be mailed to the FASAB mailing list. It is also available on the FASAB web site at <http://www.fasab.gov> or by calling 202-512-7350.

*General description of report:* This information collection is voluntary (12 U.S.C. 248(a)(2)) and is given confidential treatment (5 U.S.C. 552(b)(4)).

*Abstract:* The Survey of Terms of Bank Lending provides unique information concerning the price and certain nonprice terms of loans made to businesses and farmers by commercial banks. The reports are completed for the first full business week of the mid-month of each quarter (February, May, August, and November). The FR 2028A and B collect detailed data on individual loans made during the survey week. The FR 2028S collects the prime interest rate for each day of the survey. From these sample STBL data, estimates of the terms of business and farm loans extended during the reporting week at all insured U.S. commercial banks are constructed. The estimates for business loans are published in the quarterly E.2 release, "Survey of Terms of Bank Lending," while estimates for farm loans are published in the quarterly E.15 release, "Agricultural Finance Databook."

*Current actions:* On December 3, 2002, the Federal Reserve published a notice soliciting comments for 60 days on proposed revisions to the Survey of Terms of Bank Lending (67 FR 71969). The notice described the Federal Reserve's proposal to revise the FR 2028A by: (1) adding a field for the date on which the terms, including pricing, for loans made under formal commitment became effective, (2) reducing the number of base pricing rate options from five to one, (3) deleting the item indicating whether loans are callable, (4) modifying the format of the recalculation and maturity date items, and (5) making minor clarifications to the instructions. The Federal Reserve also proposed to revise the FR 2028B by modifying the format of the recalculation and maturity date items. The FR 2028A and FR 2028B reporting instructions will be revised according to the proposed changes, with other minor clarifications. No changes are being made to the FR 2028S. The Federal Reserve did not receive any comments

on the proposed changes. The revisions to the reporting forms and instructions will be effective for the May 2003 survey week.
