

centers, special population programs, and other health systems; (2) provides assistance to communities, community-based organizations, and BPHC programs related to the development, and expansion of primary care; (3) manages BPHC capital and loan guarantee programs; (4) leads and coordinates the analysis, development and drafting of budget and policy impacting BPHC programs; (5) provides support to the National Advisory Council on Migrant Health; (6) performs environmental scanning on issues that affect BPHC programs; (7) monitors BPHC activities in relation to HRSA and HHS Strategic Plan; and (8) consults and coordinates with other components within HRSA and HHS, and with other federal agencies, state and local governments, and other public and private organizations on issues affecting BPHC programs and policies.

Office of Quality Improvement (RCK)

The Office of Quality Improvement serves as the organizational focus for program performance including, clinical and operational quality improvement, patient safety and risk management, data reporting, and program evaluation. Specifically: (1) Provides leadership for implementing BPHC clinical quality and performance improvement strategies/initiatives, including health information technology; (2) oversees BPHC Federal Tort Claims Act (FTCA) medical malpractice liability programs, reviewing, risk management and patient safety activities to improve policies and programs for primary health care services, including clinical information systems; (3) leads and coordinates BPHC national and state technical assistance/programs and activities, including those focused on special populations; (4) identifies and provides assistance to BPHC programs around quality improvement and performance reporting activities; (5) oversees BPHC programs related to health information technology and quality improvement; (6) serves as BPHC focal point for the design and implementation of program evaluations; and (7) coordinates BPHC/quality improvement and performance reporting activities within HRSA and HHS, and with other federal agencies, state and local governments, and other public and private organizations concerned with primary health care, eliminating health disparities, and improving the health status of the Nation's underserved and vulnerable populations.

Section RC-30, Delegations of Authority

All delegations of authority and re-delegations of authority made to HRSA

officials that were in effect immediately prior to this reorganization, and that are consistent with this reorganization, shall continue in effect pending further re-delegation.

This reorganization is effective October 20, 2014.

Dated: September 23, 2014.

Mary K. Wakefield,

Administrator.
