Committee for the Implementation of Textile Agreements

February 1, 2006.

Commissioner,
U.S. Customs and Border Protection,
Washington, DC 20229

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on December 13, 2005, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, wool, and man-made fiber textiles and textile products, produced or manufactured in Vietnam and exported during the twelve-month period which began on January 1, 2006 and extends through December 31, 2006.

Effective on February 7, 2006, you are directed to adjust the limits for the following categories, as provided for under the terms of the current bilateral textile agreement between the Governments of the United States and Vietnam:

Category	Restraint limit ¹
338/339	15,176,433 dozen.
340/640	2,296,760 dozen.
638/639	1,380,273 dozen.
647/648	2,244,491 dozen.

¹ The limits have not been adjusted to account for any imports exported after December 31, 2005.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
James C. Leonard III,
Chairman, Committee for the Implementation of Textile Agreements.

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Staged Entry of China Safeguard Overshipments to be Affected by the Reclassification of Shipments That Were Entered Incorrectly

February 1, 2006.

AGENCY: The Committee for the Implementation of Textile Agreements (CITA).

ACTION: Notice.

FOR FURTHER INFORMATION CONTACT: Ross Arnold, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

As the result of an investigation into the evasion of China safeguard quotas, CBP has seized shipments of apparel from China that had been deliberately misdescribed and misclassified as being of "ramie" fabric, but which were actually of cotton and/or man-made fiber. Further investigation has found that shipments had already entered as being of "ramie" fabric, but were also of cotton and/or man-made fiber.

U.S. Customs and Border Protection (CBP) will adjust individual entries that had been entered incorrectly in 2005 to reflect the correct classification of apparel that should have entered and been charged against the 2005 safeguard limits in categories 338/339, 347/348, and 647/648. Any adjusted charges will be applied to scheduled staged entries of overshipments (70 FR 72427), beginning on March 1, 2006. This action may impact the amount of additional shipments that will be released during this and subsequent staged entries.

James C. Leonard III,
Chairman, Committee for the Implementation of Textile Agreements.
