All FNS discretionary grant programs will be eligible, but not required to use the uniform grant application package. The authorities for these grants vary. The term "grant" in this submission refers only to non-entitlement discretionary grants or cooperative agreements. Discretionary grant announcements include a number of information collections, including a "project description" (program narrative), budget information, disclosure of lobbying activities certification, and disclosure of Corporate Felony Convictions and Corporate Federal Tax Delinquencies. The requirements for the program narrative statement are based on the requirements for program narrative statements described in section 1.c (5) of OMB Circular A-102 and OMB A-110 (as implemented at USDA 7 CFR parts 3015, 3016 and 3019); and will apply to all types of grantees; State and local governments, non-profit organizations, institutions of higher education, hospitals, and for profit organizations.

Need and Use of the Information: The primary users of the information collected from the applicant are FNS and other Federal staff who will serve on a panel to systematically review, evaluate, and approve the grant/cooperative agreement applications and recommend the applicants most likely to meet program objectives and most responsive to the solicitation. The selection criteria will be contained in the Request for Application package. Without this information, FNS will not have adequate data to select appropriate grantees or evaluate which grants should be continued, or monitor financial reporting requirements.

Foreign-Trade Zones Board

[B-71-2012]

Foreign-Trade Zone 72—Indiana, IN; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Indianapolis Airport Authority, grantee of Foreign-Trade Zone 72, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u) and the regulations of the Board (15 CFR part 400). It was formally filed on September 19, 2012.

FTZ 72 was approved by the Board on September 28, 1981 (Board Order 179,

46 FR 50091, 10/9/1981) and expanded on September 2, 1992 (Board Order 598, 57 FR 41915, 9/14/1992) and on November 18, 2004 (Board Order 1359, 69 FR 70121, 12/2/2004). FTZ 72 was reorganized under the ASF on March 3, 2011 (Board Order 1747, 76 FR 12936–12937, 3/9/2011). The zone project currently has a service area that includes Bartholomew, Benton, Boone, Carroll, Cass, Clay, Clinton, Decatur, Delaware, Fayette, Fountain, Franklin, Grant, Greene, Hamilton, Hancock, Hendricks, Henry, Howard, Jennings, Johnson, Lawrence, Madison, Marion, Miami, Monroe, Montgomery, Morgan, Owen, Parke, Putnam, Rush, Shelby, Tippecanoe, Tipton, Vigo, Warren, Wayne and White Counties, Indiana.

The applicant is now requesting authority to expand the service area of the zone to include Union and Vermillion Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The proposed expanded service area is adjacent to the Indianapolis Customs and Border Protection Ports of Entry

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is November 26, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to December 11, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.
