Budget Limits for Required and Optional Components: ERCs are complex, interdisciplinary centers. Up

to \$1,800,000/year total costs may be requested by an ERC. The following table lists required and optional ERC components and budget information:

ERC components	Funding information (total costs)
Planning and Evaluation Core (Required)	Up to \$370,000/year.
Center Administration, Planning and Evaluation	Up to \$250,000/year.
Interdisciplinary Activities	Up to \$30,000/year.
Diversity Recruitment and Retention	Up to \$5,000/year.
Outreach in Occupational Safety and Health	Up to \$35,000/year.
Developmental Program Support (Optional)	Up to \$50,000/year.
Academic Training Core (Required)	Up to \$930,000/year with 70% to Direct Trainee Costs.
Required minimum of 3 Academic Training Programs. At least 2 from the core disciplines of IH, OHN, OMR, or OS, and 1 may be a core or allied discipline.	There are no budget limits for individual academic training programs. Applicants must stay within the total \$1.8 million per year request in total costs.
There is no minimum number of trainees required for any one academic program.	A minimum of 70% of the overall Academic Training Core budget must go to Direct Trainee Costs that provide stipends, tuition and fees, research support, and travel.
Applicants must fully justify need for all programs and their capacity to meet training demand.	A maximum of 30% of the overall Academic Training Core budget may go to support Training-related Expenses that include support for faculty and staff salaries, supplies, equipment and non-trainee travel. This 70%/30% allocation of funding may be applied across all academic training programs in aggregate, and need not be applied to each individual academic training program.
NIOSH will consider applications for Doctor of Nursing Practice Programs.	
Complementary and Special Pathways for OMRs are eligible for NIOSH support if administered by an OMR Program accredited by the ACGME.	
Applicants may request trainee support for academic certificate training programs in approved core and allied disciplines. Trainee support is limited to tuition only and is included in the minimum 70% allocation toward Direct Trainee Costs. Certificate trainees should be clearly identified in academic training program budgets.	
Research Training Core (Optional)	Up to \$400,000/year with 70% of Collaborative Research Training (CRT) to Direct Trainee Costs.
Pilot Projects Research Training (Optional)	Up to \$100,000/year.
Collaborative Research Training (Optional)	Up to \$300,000/year.
	CRT supports the research training needs of NIOSH trainees and students from other disciplines who receive NIOSH support during their academic training program. A minimum of 70% of requested funds must go to support Direct Trainee Costs that provide stipends, tuition and fees, research supplies, and travel; a maximum of 30% may go to support Training-related Expenses that include support for faculty and staff salaries, supplies, equipment and non-trainee travel.
Continuing Education Program (Required)	Up to \$100,000/year.
Needs-based training should be offered to safety and health practitioners and allied disciplines to have a positive impact on workplace practices and policies.
