

program is to promote sustainable economic development in rural areas. This purpose is achieved through grants made by the RBS to public and private non-profit organizations and cooperatives to pay costs of economic development planning and technical assistance for rural businesses. The regulations contain various requirements for information from the grant applicants and recipients. The information requested is necessary for RBS to be able to process applications in a responsible manner, make prudent program decisions, and effectively monitor the grantees' activities to ensure that funds obtained from the Government are used appropriately. Objectives include gathering information to identify the applicant, describe the applicant's experience and expertise, describe the project and how the applicant will operate it, and other material necessary for prudent Agency decisions and reasonable program monitoring.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 9 hours per response.

Respondents: Non-profit corporations, public agencies, and cooperatives.

Estimated Number of Respondents: 248.

Estimated Number of Responses per Respondent: 8.

Estimated Number of Responses: 1863.

Estimated Total Annual Burden on Respondents: 17,104.

Copies of this information collection can be obtained from Cheryl Thompson, Regulations and Paperwork Management Branch, Support Services Division at (202) 692-0043.

Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of RBS, including whether the information will have practical utility; (b) the accuracy of RBS' estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Cheryl Thompson, Regulations and Paperwork Management Branch, Support Services

Division, U.S. Department of Agriculture, Rural Development, STOP 0742, Washington, DC 20250. All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Dated: April 27, 2007.

Jackie J. Gleason,

Administrator, Rural Business-Cooperative Service.

Rural Business-Cooperative Service

Maximum Dollar Amount on Awards Under the Rural Economic Development Loan and Grant Program for Fiscal Year 2007; Correction

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice; correction.

SUMMARY: The Rural Business-Cooperative Service (RBS) published a document in the **Federal Register** of Friday, December 8, 2006, [71 FR 71128] concerning the announcement of the maximum dollar amount under the Rural Economic Development Loan and Grant Program (REDLG). This document announces the actual amount available and the expanded eligibility requirements.

FOR FURTHER INFORMATION CONTACT:

Cindy Mason, Loan Specialist, USDA Rural Development, STOP 3225, Room 6866, 1400 Independence Avenue, SW., Washington, DC 20250-3225. Telephone: (202) 690-1433, FAX: (202) 720-2213.

Correction

In the **Federal Register** of December 8, 2006, in FR Doc. E6-20871, on page 71128, in the third column, correct the **SUPPLEMENTARY INFORMATION** caption to read: RBS published a Notice of Funds Availability (NOFA) on December 8, 2006. Based on the Revised Continuing Appropriations Resolution, 2007 (2007 Appropriation), (Public Law 110-5), the total amount available for zero-interest loans is \$24,752,477. As stated in the NOFA, the maximum loan and grant awards pursuant to 7 CFR 1703.28 is 3.0 percent of the program level rounded to the nearest \$10,000, but no less than \$200,000. Thus, the maximum dollar amount available per loan is \$740,000. Total amount available for grants is \$10,000,000. Thus, the maximum amount available per grant is \$300,000.

Additionally, the 2007 Appropriation continued the REDLG eligibility requirements implemented in FY 2006. Therefore, an organization is considered to be eligible to participate in the REDLG program if it can be described as:

1. Any former Rural Utilities Service borrower that has repaid or prepaid an insured, direct, or guaranteed loan under the Rural Electrification Act;

2. Any not-for-profit utility that is eligible to receive an insured or direct loan under such act; or

3. Any borrower under such act.

The Regulations for these programs are at 7 CFR part 1703, subpart B. The maximum loan and grant awards are determined in accordance with 7 CFR 1703.28. The maximum loan and grant awards are calculated at 3.0 percent of the projected program levels, rounded to the nearest \$10,000; however, as specified in 7 CFR 1703.28(b), regardless of the projected total amount that will be available, the maximum size may not be lower than \$200,000. The projected program level during FY 2007 for zero-interest loans is \$25,215,484.47, and the projected level for grants is \$10,000,000. Applying the 3.0 percent to the program level for loans, rounded to the nearest \$10,000, results in a projected maximum loan award of \$740,000. Applying the specified 3.0 percent to the program level for grants results in an amount higher than \$200,000. Therefore, the projected grant award for FY 2007 is \$300,000.

Dated: May 1, 2007.

Jackie J. Gleason,

Administrator, Rural Business-Cooperative Service.

BILLING CODE 3410-XY-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Office of the Secretary, Office of Civil Rights (OCR).

Title: Reasonable Accommodation for Employees and Applicants with Disabilities.

Form Number(s): CD-575.

OMB Approval Number: 0690-0022.

Type of Request: Regular submission.

Burden Hours: 17.

Number of Respondents: 100.

Average Hours per Response: 10 minutes.

Needs and Uses: Under the Rehabilitation Act of 1973, as amended, Federal agencies must provide reasonable accommodation (such as an interpreter, reader, assistive technology, etc.) to qualified applicants and employees with disabilities. The information collected will ensure that reasonable accommodation requests are processed in a fair, timely, and equitable manner.

Affected Public: Federal government, and individual or households.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, FAX number (202) 395-7258 or via the Internet at David_Rostker@omb.eop.gov.

Dated: May 1, 2007.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

BILLING CODE 3510-BP-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology (NIST).

Title: Evaluation of Whole-Body Detector Response of Virtual Gamma-Ray System—Administered Radioactive Material.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 5.

Number of Respondents: 50.

Average Hours Per Response: 6 minutes.

Needs and Uses: This collection of information is necessary to allow Investigators to make the appropriate corrections to relate the radioactivity measured to the content in the volunteer at the time of the measurement. The project will evaluate the system's response to a variety of body geometries, and relate the system's response to handheld *in vivo* gamma-ray detectors readings that would be used during radiological emergency response. Physical parameters of the volunteers such as height, weight will be needed to assess the correlation with counting response that is expected to have uncertainties as large as 50 percent. It is an objective of the project to provide guidance to the radiological consequence management community to better be able to estimate internal contamination of exposed people, and make decisions of their care.

Affected Public: Federal government, and individual or households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jasmeet Seehra, (202) 395-3123.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jasmeet Seehra, OMB Desk Officer, Fax number (202) 395-5806 or via the Internet at Jasmeet_K._Seehra@omb.eop.gov.

Dated: May 1, 2007.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

[FR Doc. E7-8631 Filed 5-4-07; 8:45 am]

BILLING CODE 3510-13-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration (ITA).

Title: International Buyer Program: Application and Exhibitor Data Form.

Agency Form Number: ITA-4014P and ITA-4102P.

OMB Number: 0625-0151.

Type of Request: Regular submission.

Burden Hours: 1,400.

Number of Respondents: 7,250.

Average Hours per Response: 3 hours and 10 minutes.

Needs and Uses: The International Trade Administration's International Buyer Program (IBP) encourages international buyers to attend selected domestic trade shows in high export potential industries and to facilitate contact between U.S. exhibitors and foreign visitors. The program has been successful, having substantially increased the number of foreign visitors attending these selected shows as compared to the attendance when not supported by the program. The number of shows selected to the program increased from 28 in FY 2001 to 32 in FY 2004 and will increase to 36 in 2007. Among the criteria used to select these shows are: Protection of intellectual property rights, export potential, international interest, scope of show, stature of show, exhibitor interest, overseas marketing, logistics, and cooperation of show organizers. Form ITA-4014P, Exhibitor Data, is used to determine which U.S. firms are interested in meeting with international business visitors and the overseas business interest of the exhibitors. The exhibitor data form is completed by U.S. exhibitors participating in an IBP domestic trade show and is used to list the firm and its U.S.-made products in an Export Interest Directory, which is distributed worldwide for use by Foreign Commercial Officers in recruiting delegations of international buyers to attend the show. The Form ITA-4102P, Application, is used by a potential show organizer to provide (1) his/her experience, (2) ability to meet the special conditions of the IBP, and (3) information about the domestic trade show such as the number of U.S. exhibitors and the percentage of net exhibit space occupied by U.S. companies vis-a-vis non-U.S. exhibitors.

Affected Public: Business or other for profit organizations, and not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.
