SUPPLEMENTARY INFORMATION:

Title: Information Return for Real Estate Mortgage Investment Conduits (REMICs) and Issuers of Collateralized Debt Obligations.

OMB Number: 1545-1099.

Form Number: 8811.

Abstract: Current regulations require real estate mortgage investment conduits (REMICs) to provide Forms 1099 to true holders of interests in these investment vehicles. Because of the complex computations required at each level and the potential number of nominees, the ultimate investor may not receive a Form 1099 and other information necessary to prepare their tax return in a timely fashion. Form 8811 collects information for publishing by the IRS so that brokers can contact REMICs to request the financial information and timely issue Forms 1099 to holders.

Current Actions: There are no changes being made to Form 8811 at this time.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Responses: 1,000.

Estimated Time per Response: 4 hr., 23 min.

Estimated Total Annual Burden Hours: 4,380.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will

be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: March 12, 2009.

The IRPAC members are nominated by the Commissioner with the concurrence of the Secretary of Treasury to serve a three-year term. Working groups address policies and administration issues specific to information reporting. Members are not paid for their services. However, travel expenses for working sessions, public meetings and orientation sessions, such as airfare, per diem, and transportation are reimbursed within prescribed federal travel limitations.
