[OMB Control No. 3090-0274; Docket 2015-0001; Sequence 18]

Submission for OMB Review; Public Buildings Service; Art-in-Architecture Program National Artist Registry, GSA Form 7437

AGENCY: Public Buildings Service, General Services Administration (GSA).

ACTION: Notice of request for comments regarding an extension to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act, the Regulatory Secretariat Division will be submitting to the Office of Management and Budget (OMB) a request to review and approve an extension of a previously approved information collection requirement regarding Art-in-Architecture Program National Artist Registry, GSA Form 7437. A notice was published in the **Federal Register** at 80 FR 79897 on December 23, 2015. One comment was received.

The Art-in-Architecture Program is the result of a policy decision made in January 1963 by GSA Administrator Bernard L. Boudin, who served on the Ad Hoc Committee on Federal Office Space in 1961-1962.

The program has been modified over the years, most recently in 2009, when a requirement was instituted that all artists who want to be considered for any potential GSA commission must be included on the National Artists Registry, which serves as the qualified list of eligible artists. The program continues to commission works of art from living American artists. One-half of one percent of the estimated construction cost of new or substantially renovated Federal buildings and U.S. courthouses is allocated for commissioning works of art.

DATES: Submit comments on or before April 4, 2016.

Appendix C of 5 CFR 2634 provides the Privacy Act Statement and Public Burden Statement for the model certificates. Copies of the ten qualified trust model documents are available on OGE's Web site, www.oge.gov. Electronic copies of these documents may also be obtained, without charge, by contacting Mr. Ledvina.

SUPPLEMENTARY INFORMATION: The Office of Government Ethics intends to submit, after this first round notice and comment period, all twelve qualified

trust model certificates and model documents described below (all of which are included under OMB paperwork control number 3209-0007) for a three-year extension of approval by OMB under the Paperwork Reduction Act (44 U.S.C. chapter 35). At that time, OGE will publish a second paperwork notice in the **Federal Register** to inform the public and the agencies. OGE is the supervising ethics office for the executive branch of the Federal Government under the Ethics in Government Act of 1978 (EIGA). OGE is the sponsoring agency for the model certificates and model trust documents for qualified blind and diversified trusts of executive branch officials set up under section 102(f) of the Ethics in Government Act, 5 U.S.C. app. § 102(f), and OGE's implementing financial disclosure regulations at subpart D of 5 CFR part 2634. There are two categories of information collection requirements that OGE plans to submit for renewed paperwork approval, each with its own related reporting model certificates or model trust documents which are subject to paperwork review and approval by OMB. The OGE regulatory citations for these two categories, together with identification of the forms used for their implementation, are as follows:

i. Qualified trust certifications—5 CFR 2634.404(f) and (g), 2634.405(c) and (d), 2634.407, 2634.408(d)(4), 2634.410, 2634.414 and appendixes A and B to part 2634 (the two implementing forms, the Certificate of Independence and Certificate of Compliance, are codified respectively in the cited appendixes); and
