DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Oil Pollution Act

On July 13, 2021, the Department of Justice filed a civil Complaint and lodged a proposed Consent Decree with the United States District Court for the Southern District of Texas in the lawsuit entitled *United States of America and the State of Texas v. Kirby Inland Marine, LP*, Civil Action No. 3:21-cv-00180. The United States is acting at the request of the National Oceanic and Atmospheric Administration as a federal trustee for natural resources. The State of Texas is acting through its designated State trustees: The Texas General Land Office, the Texas Commission on Environmental Quality, and the Texas Parks and Wildlife Department.

This is a civil action brought against Defendant Kirby Inland Marine, LP for recovery of damages for injury to, destruction of, loss of, or loss of use of natural resources, under Section 1002 of the Oil Pollution Act, 33 U.S.C. 2702. The United States and Texas seek damages in order to compensate for and restore natural resources injured by Kirby's oil discharge that occurred in the Houston Ship Channel near Bayport, Texas, on May 10, 2019. The United States and the State also seek to recover unreimbursed costs of assessing such injuries.

The Complaint in this natural resource damages case was filed against Kirby concurrently with the lodging of the proposed Consent Decree. The Complaint alleges that Kirby is liable for damages under the Oil Pollution Act. The Complaint alleges that oil was discharged from a Kirby barge during a collision in the Ship Channel and that natural resources were injured as a result of the discharge.

Kirby will pay \$2,102,115.22 under the proposed Consent Decree. Of this total, \$1.695 million is designated for the trustees to restore, replace, or acquire the equivalent of the natural resources allegedly injured, destroyed, or lost as a result of the oil spill, and the remaining amount will go to reimburse the trustees for their unpaid assessment costs.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America and the State of Texas v.
