

review by the Commission of comments received on the Draft Approval Order, and final Commission action thereon, the Commission believes that approving NYSE Arca's proposal on a pilot basis would be beneficial to investors and in the public interest, in that it should result in broad public dissemination of additional real-time pricing information. Therefore, the Commission is approving NYSE Arca's proposed fees for a pilot period until October 31, 2008. The broader approach ultimately taken by the Commission with respect to non-core market data fees will necessarily guide Commission action regarding fees for the NYSE Arca Realtime Reference Prices beyond the pilot period.

The Commission finds good cause for approving the proposed rule change before the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**. Accelerating approval of this proposal should benefit investors by facilitating their prompt access to widespread, free, real-time pricing information contained in the NYSE Arca Realtime Reference Prices. In addition, the Commission notes that the proposal is approved for a pilot period to expire on October 31, 2008, while the Commission analyzes comments on the Draft Approval Order. Therefore, the Commission finds good cause, consistent with Section 19(b)(2) of the Act,¹⁵ to approve the proposed rule change on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (SR-NYSEArca-2008-96) is hereby approved on an accelerated basis until October 31, 2008.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁶

Florence E. Harmon,
Acting Secretary.
