## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–087, OMB Control No. 3235–0078]

### Proposed Collection; Comment Request; Extension: Rule 15c3–3

*Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15c3–3 (17 CFR 240.15c3–3), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval. Furthermore, notice is given regarding new collections of information that were previously proposed in Rule 18a-4 (OMB No. 3235–0700) and that were moved to this Rule 15c3–3 (OMB No. 3235–0078) based on comments received during the rulemaking process.

With respect to the extension of the previously approved collection of information, Rule 15c3–3 requires that a broker-dealer that holds customer securities obtain and maintain possession and control of fully paid and excess margin securities they hold for customers. In addition, the Rule requires that a broker-dealer that holds customer funds make either a weekly or monthly computation to determine whether certain customer funds need to

be segregated in a special reserve bank account for the exclusive benefit of the firm’s customers. It also requires that a broker-dealer maintain a written notification from each bank where a Special Reserve Bank Account is held acknowledging that all assets in the account are for the exclusive benefit of the broker-dealer’s customers, and to provide written notification to the Commission (and its designated examining authority) under certain, specified circumstances. Finally, broker-dealers that sell securities futures products (“SFP”) to customers must provide certain notifications to customers and make a record of any changes of account type.

A broker-dealer required to maintain the Special Reserve Bank Account prescribed by Rule 15c3–3 must obtain and retain a written notification from each bank in which it has a Special Reserve Bank Account to evidence the bank’s acknowledgement that assets deposited in the Account are being held by the bank for the exclusive benefit of the broker-dealer’s customers. In addition, a broker-dealer must immediately notify the Commission and its designated examining authority if it fails to make a required deposit to its Special Reserve Bank Account. Finally, a broker-dealer that effects transactions in SFPs for customers also will have paperwork burdens to make a record of each change in account type.

The Commission staff estimates a total annual time burden of approximately 1,109,518 hours and a total annual cost burden of approximately \$3,516,241 to comply with the existing information collection requirements of the rule.

In 2019, the Commission adopted amendments to establish segregation and notice requirements for broker-dealers with respect to their security-based swap activity. The Commission staff estimates a total annual time burden of approximately 19,487 hours and a total annual cost burden of approximately \$13,860 to comply with the information collection requirements of the 2019 amendments to the rule.

The Commission staff thus estimates that the aggregate annual information

collection burden associated with Rule 15c3–3 is approximately 1,129,005 hours and \$3,530,101.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by August 28, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: June 22, 2023.
