n. *Procedural schedule:* The Commission staff proposes to issue an Environmental Assessment (EA) rather than issuing a draft and final EA. Staff intends to allow at least 30 days for entities to comment on the EA, and will take into consideration all comments received on the EA before final action is taken on the license application. The application will be processed according to the following schedule, but revisions to the schedule may be made as appropriate:

Issue Notice of availability of the EA: March 31, 2006.

Ready for Commission decision on the application: May 30, 2006.

Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of the notice of ready for environmental analysis.

Magalie R. Salas,
Secretary.

[Docket No. RM05-30-000]

Rules Concerning Certification of the Electric Reliability Organization; and Procedures for the Establishment, Approval, and Enforcement of Electric Reliability Standards; Notice of Second Technical Conference

December 1, 2005.

As announced in a Notice of Technical Conferences issued on November 3, 2005, in the above referenced proceeding, a second technical conference will be held in the offices of the Commission, 888 First Street, NE., Washington, DC. All interested persons may attend, and registration is not required. This will be a staff conference, but Commissioners may attend.

The second technical conference will take place on December 9, 2005 from 9:30 a.m. until approximately 3 p.m. (EST) and will be held in the Commission Meeting Room on the second floor of the Commission. Attached is the agenda for this conference.

This second technical conference will address how to establish electric reliability standards, state roles in reliability, and issues related to compliance and enforcement of standards, and North American perspectives of these issues. It follows up on issues discussed in the first technical conference of November 18, 2005, which addressed current and possible future procedures for establishment and approval of electric reliability standards.

Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's eLibrary system seven calendar days after the Commission receives the transcript.

A free Webcast of this event is available through <http://www.ferc.gov>. Anyone with Internet access who desires to view this event can do so by navigating to www.ferc.gov's Calendar of Events and locating this event in the Calendar.
