Title: Charter Service Operations (OMB Number: 2132-0543).

Background: 49 U.S.C. 5323(d) requires all applicants for financial assistance from FTA to enter into a charter bus agreement with the Secretary of Transportation (delegated to the Administrator of FTA in 49 CFR 1.51(a)). 49 U.S.C. 5323(d) provides protections for private intercity charter bus operators from unfair competition by FTA recipients. 49 U.S.C. 5302(a)(10) as interpreted by the Comptroller General permits FTA recipients, but does not state that recipients have a right, to provide charter bus service with FTA-funded facilities and equipment only if it is incidental to the provision of mass transportation service. These statutory requirements have been implemented in FTA's charter regulation, 49 CFR part 604. 49 CFR 604.7 requires all applicants for financial assistance under 49 U.S.C. 5309, 5336, or 5311 to include two copies of a charter bus agreement with the first grant application submitted after the effective date of the rule. The applicant signs the agreement, but FTA executes it only upon approval of the application. This is a one-time submission with incorporation by reference in subsequent grant applications. 49 CFR 604.11(b) requires recipients to provide notice to all private charter operators and allows them to submit written evidence demonstrating that they are willing and able to provide the charter service the recipient is proposing to provide. The notice must be published in a newspaper and sent to any private operator requesting notice and to the United Bus Owners of America and the American Bus Association, the two trade associations to which most private charter operators belong. To continue receiving federal financial assistance, recipients must publish this notice annually. 49 CFR 604.13(b) requires recipients to review the evidence submitted and notify the submitter of its decision. This notice is also an annual requirement. On December 30, 1988, FTA issued an amendment to the Charter Service regulation that allows additional exceptions for certain non-profit social service groups that meet eligibility requirements.

Respondents: State and local government, business or other for-profit institutions, and non-profit institutions.

Estimated Annual Burden on Respondents: 1.2 hours for each of the 1,656 respondents.

Estimated Total Annual Burden: 1,984 hours.

Frequency: Annual.

Issued: August 20, 2007.

Ann M. Linnertz,

Associate Administrator for Administration.
