

month since 2002. The Complainant further contends the MPA has demanded that Complainant vacate the premises after refusing to negotiate a commercially reasonable lease. Complainant alleges that the MPA and its Directors have violated Section 10(d)(1) of the Act (46 U.S.C. App. 1709(d)(1)) by failing to establish, observe, and enforce just and reasonable regulations and practices relating to or connected with receiving, handling, storing, or delivering property. In addition, Complainant alleges that Respondents violated Sections 10(d)(3) of the Act (46 U.S.C. App. § 1709(d)(3)) by unreasonably refusing to deal with a tenant, and 10(d)(4) of the Act (46 U.S.C. App. 1709(d)(4)) by giving undue or unreasonable preference or advantage or imposing undue or unreasonable prejudice or disadvantage with respect to any person. Respondent asserts that the Commission has found that it might have jurisdiction to adjudicate a “* * * privately-initiated complaint proceeding against the directors of a state-run port rather than against the port.” Respondent prays that the Commission: seek a temporary restraining order and preliminary injunction enjoining the Respondents to cease their unlawful treatment of Complainant and from leasing the lot to another company; declare that the Respondents have violated the Act as detailed above and direct the Respondents to cease all such violations; direct Respondents to offer Complainant a commercially viable lease for the lot in question; award Complainant reparations for actual injuries, pre and post-judgment interest, and litigation and attorney fees; and award such other and further relief as deemed just and proper.

This proceeding has been assigned to the Office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon proper showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. Pursuant to the further terms of 46 CFR 502.61, the initial decision of the presiding officer in this proceeding shall

be issued by January 31, 2007, and the final decision of the Commission shall be issued by May 31, 2007.

Bryant L. VanBrakle,

Secretary.
