notifications at 70 person-hours per vear.

*OMB Approval Number:* 3072–0061 (Expires August 31, 2002).

Abstract: Section 8(f) of the Shipping Act of 1984, 46 U.S.C. app. 1707(f), provides that a marine terminal operator (MTO) may make available to the public a schedule of its rates, regulations, and practices, including limitations of liability for cargo loss or damage, pertaining to receiving, delivering, handling, or storing property at its marine terminal, subject to section 10(d)(1), 46 U.S.C. app. 1709(d)(1), of the Act. The Commission's rules governing MTO schedules are set forth at 46 CFR part 525.

Needs and Uses: The Commission uses information obtained from Form FMC-1 to determine the organization name, organization number, home office address, name and telephone number of the firm's representatives and the location of MTO schedules of rates, regulations and practices, and publisher, should the MTOs determine to make their schedules available to the public, as set forth in section 8(f) of the Shipping Act.

Frequency: This information is collected prior to an MTO's commencement of its marine terminal operations.

Type of Respondents: Persons operating as MTOs.

Number of Annual Respondents: The Commission estimates the respondent universe at 186.

Estimated Time Per Response: The Commission estimates an average of five hours per schedule.

Total Annual Burden: The Commission estimates the total personhour burden at 930.

OMB Approval Number: 3072–0064 (Expires August 31, 2002).

Abstract: Except with respect to certain specified commodities, section 8(a) of the Shipping Act of 1984, 46 U.S.C. app. 1707(a), requires that each common carrier and conference shall keep open to public inspection, in an automated tariff system, tariffs showing its rates, charges, classifications, rules, and practices between all ports and points on its own route and on any through transportation route that has been established. In addition, individual carriers or agreements among carriers are required to make available in tariff format certain enumerated essential terms of their service contracts. 46 U.S.C. app. 1707(c). The Commission is responsible for reviewing the accessibility and accuracy of automated tariff systems, in accordance with its regulations set forth at 46 CFR part 520.

Needs and Uses: The Commission uses information obtained from Form FMC-1 to ascertain the location of common carrier and conference tariff publications.

Frequency: This information is collected when common carriers or conferences publish tariffs.

Type of Respondents: Persons desiring to operate as common carriers or conferences.

Number of Annual Respondents: The Commission estimates an annual respondent universe of 3000.

Estimated Time Per Response: The time per response averages five personhours per respondent for Form FMC 1 and tariff publication matters.

Total Annual Burden: The Commission estimates the total personhour burden at 313,400 person-hours.

OMB Approval Number: 3072–0065 (Expires August 31, 2002).

Abstract: The Shipping Act of 1984, 46 U.S.C. app. 1707, requires service contracts, except those dealing with bulk cargo, forest products, recycled metal scrap, new assembled motor vehicles, waste paper or paper waste, and their related amendments and notices to be filed confidentially with the Commission.

Needs and Uses: The Commission monitors service contract filings for acts prohibited by the Shipping Act of 1984.

Frequency: The Commission has no control over how frequently service contracts are entered into; this is solely a matter between the negotiating parties. When parties enter into a service contract it must be filed with the Commission.

Types of Respondents: Parties that enter into service contracts are ocean common carriers and agreements among ocean common carriers on the one hand, and shippers or shipper's associations on the other.

Number of Annual Respondents: The Commission estimates an annual respondent universe of 155.

Estimated Time Per Response: The time per response ranges from one to eight hours.

Total Annual Burden: The Commission estimates the total personhour burden at 303,953.
