[CFDA No. 84.129B]

Rehabilitation Training: Rehabilitation Long-Term Training—Rehabilitation Counseling

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice reopening the Rehabilitation Long-Term Training—Rehabilitation Counseling fiscal year (FY) 2009 competition.

SUMMARY: On November 17, 2008, we published in the **Federal Register** (73 FR 67852) a notice inviting applications for the Rehabilitation Long-Term Training—Rehabilitation Counseling FY 2009 competition. That notice established a January 15, 2009 deadline date for eligible applicants to apply for funding under this program.

In order to allow applicants the opportunity to respond to a correction in the selection criteria published in the Application Package, we are reopening the Rehabilitation Long-Term Training—Rehabilitation Counseling FY 2009 competition to eligible applicants. Specifically, we inadvertently omitted a heading and the point value of the criterion on *Quality of Project Services*, worth 10 points. The requirements of this criterion were embedded at the end of the criterion on *Nature and Scope of Curriculum*, worth 20 points. By omitting the heading and points for the criterion on *Quality of Project Services*, applicants were given the mistaken impression that this criterion was part of the *Nature and Scope of Curriculum* criterion. We have corrected the selection criteria in the Application Package. This correction of the selection criteria increases the possible points an

applicant may receive from 90 points to 100 points and makes it clear that there is a criterion on *Quality of Project Services*, worth 10 points. We strongly recommend that any eligible applicant that submitted its application using the criteria in the original application package re-submit its application in order to ensure that there is a clear response to the criterion on *Quality of Project Services*. If an applicant that submitted its application by the January 15, 2009 deadline does not choose to re-submit its application to address separately the Nature and Scope of Curriculum and *Quality of Project Services* criteria, we will increase the point value of the co-joined criteria contained under the heading *Nature and Scope of Curriculum* from 20 to 30 points for that applicant and the selection criteria overall from 90 to 100 points. We will separate the applicant's response to the co-joined criteria under the heading of *Nature and Scope of Curriculum*, and each criteria will be rated separately with the total value of the *Nature and Scope of Curriculum* criteria being 20 points and the *Quality of Project Services* criteria being 10 points.
