

The Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with 19 C.F.R. 351.106(c)(2), we will instruct the Customs Service to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., at or above 0.50 percent).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of the administrative review for all shipments of PVA from Japan entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for Kuraray will be the rate shown above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 77.49 percent. This rate is the "All Others" rate from the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305 or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections section 751(a)(1) and 777(i) of the Act.

Dated: August 11, 2000.

Acting Assistant Secretary for Import Administration.

FOR FURTHER INFORMATION CONTACT:

Dinah McDougall at (202) 482-3773, or Rebecca Trainor at (202) 482-4007, Office 2, AD/CVD Enforcement Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the thirteenth administrative review of the antidumping duty order on porcelain-on-steel cookware from Mexico, which covers the period December 1, 1998, through November 30, 1999.

APPLICABLE STATUTE: Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce (the Department) regulations are to 19 CFR Part 351 (April 2000).

SUPPLEMENTARY INFORMATION: Pursuant to section 751(a)(3)(A) of the Act, the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Department

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time for completion of the preliminary results of this review until October 16, 2000.

Dated: August 14, 2000.
