SUPPLEMENTARY INFORMATION: Comments will be accepted through April 7, 2008. Please note that in accordance with 5 U.S.C. 553(a)(2) EPA is not undertaking notice and comment rulemaking and has not established a docket to receive public comments on the guidelines. Rather, the Agency as a matter of policy is soliciting the views of interested parties on proposed changes to the guidelines in an effort to make the guidelines as responsive as possible to the needs of the public. Please note that these draft guidelines are subject to change. Organizations interested in applying for Brownfields funding must follow the instructions contained in the final guidelines that EPA publishes on grants.gov, rather than these draft guidelines.

There are three types of grants applicants may apply for under these guidelines:

1. Brownfields Assessment Grants—provide funds to inventory, characterize, assess, and conduct cleanup and redevelopment planning and community involvement related to brownfield sites.

2. Brownfields Revolving Loan Fund Grants—provide funding for a grant recipient to capitalize a revolving loan fund and to provide subgrants to carry out cleanup activities at brownfield sites.

3. Brownfields Cleanup Grants—provide funds to carry out cleanup activities at a specific brownfield site owned by the applicant.

The Catalogue of Federal Domestic Assistance entry for Brownfields Grants is 66.818.

Dated: March 12, 2008.

David R. Lloyd,

Director, Office of Brownfields and Land Revitalization, Office of Solid Waste and Emergency Response.
