

merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 111.73 percent;⁷ and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results and this notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Antidumping Duty New Shipper Reviews; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: On December 28, 2016, the Department of Commerce (the Department) published the preliminary results, and partial rescission, of the new shipper reviews of the antidumping duty (AD) order on multilayered wood flooring (MLWF) from the People's Republic of China (PRC). Based on our analysis of the comments received, we continue to find Zhejiang Simite Wooden Co., Ltd.'s (Simite Wooden) sale to be non-*bona fide*. Therefore, we are rescinding the new shipper review (NSR) with respect to Simite Wooden. We also continue to find that Jiangsu Keri Wood Co., Ltd. (Keri Wood) did not make a sale at less than normal value (NV), and is eligible for a separate rate. The final dumping margin for Keri Wood is listed in the "Final Results of Kerri Wood's New Shipper Review" section of this notice, below.

DATES: Effective June 5, 2017.

SUPPLEMENTARY INFORMATION:

Background

On December 28, 2016, the Department published its *Preliminary Results*¹ of the NSRs of the AD order on MLWF from the PRC. The period of review (POR) for the new shipper reviews (NSR) is December 1, 2014, through November 30, 2015. These reviews cover two producers/exporters of subject merchandise: Simite Wooden and Keri Wood.² As discussed below, we preliminarily found that the single sale made by Simite Wooden is not *bona fide*, and announced our preliminary intent to rescind its NSR. We also preliminarily determined that Keri Wood made a single *bona fide* sale which was not below NV and that it is eligible for a separate rate. Simite Wooden submitted its case brief on February 17, 2017.³ For the final results of this review, although we have made certain further adjustments to our *bona fide* analysis for Simite Wooden, we continue to find Simite Wooden's sale to be non-*bona fide*. Therefore, we are rescinding the NSR with respect to Simite Wooden. We also continue to find that Keri Wood did not make a sale at less than NV and is eligible for a separate rate. Therefore, with respect to Keri Wood, our final results remain unchanged from the *Preliminary Results*.

Analysis of Comments Received

All issues raised in the case brief submitted by Simite Wooden are addressed in the Issues and Decision Memorandum.⁶ A list of the issues which parties raised is attached to this notice as an Appendix.

Final Rescission of Simite Wooden's New Shipper Review

In the *Preliminary Results*, the Department analyzed the *bona fides* of Simite Wooden's sale and preliminarily found it was not a *bona fide* sale.⁷ Based on the Department's analysis of all of the comments and record evidence of this review, the Department has made certain changes to its analysis, but still continues to find that Simite Wooden's sale is not a *bona fide* sale. Accordingly, we have determined to rescind this NSR with respect to Simite Wooden.

For a complete discussion, see the Simite Wooden Prelim Bona Fide Memo and the Issues and Decision Memorandum.

Final Results of Kerri Wood's New Shipper Review

No party filed a case brief in response to the Department's invitation to comment on the *Preliminary Results* with respect to our findings for Keri Wood. Therefore, for these final results, the Department has made no changes to its calculations announced in the *Preliminary Results* for this company. For the final results of Kerri Wood's new shipper review, the Department continues to determine that the following weighted-average dumping margin exists for the POR from December 1, 2014, through November 30, 2015:

Assessment

The Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by the NSR with respect to Keri Wood.⁸ The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review. The Department intends to instruct CBP to liquidate entries of subject merchandise Keri Wood without regard to antidumping duties because its weighted-average dumping margin in these final results is zero.⁹ For entries that were not reported in the U.S. sales data submitted by Keri Wood, the Department intends to instruct CBP to liquidate such entries at the rate for the PRC-wide entity.¹⁰

As the Department is rescinding the NSR with respect to Simite Wooden, we have not calculated a company-specific dumping margin for Simite Wooden. Simite Wooden's entries covered by this NSR will be assessed at the cash deposit rate required at the time of entry, which is the PRC-wide rate (*i.e.*, 25.62 percent).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results and partial rescission of this NSR for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act. For Kerri Wood, because it has received a separate rate, and the rate established in the final results of this NSR is zero, a zero cash deposit will be required. For Simite Wooden, the Department will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise from Simite Wooden. Because we did not calculate a dumping margin for Simite Wooden or otherwise

find that Simite Wooden is eligible for a separate rate in this review, Simite Wooden continues to be part of the PRC-wide entity. The cash deposit rate for the PRC-wide entity is 25.62 percent. These cash deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to Administrative Protective Order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in these segments of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and (C) and 777(i) of the Act, and 19 CFR 351.214.

Dated: May 26, 2017.
