Previous Request for Comments

This request provides a 30-day comment period required by OIRA. The Coast Guard has already published the 60-day notice required by 44 U.S.C. 3506(c)(2) (69 FR 54301, September 8, 2004). That notice elicited one comment. The commenter noted that form CG-705A—Shipping Articles, should be revised, including an altering of the layout to a more standard size, utilizing IT (*i.e.* online) if possible. The Coast Guard agrees that form CG-705A is long overdue for updating and redesign. The Coast Guard will,

priorities permitting, look into alternate formats of required data collection. The Coast Guard currently has other forms (.pdf format) available for download, which allow the user to complete necessary fields online and print the completed form for signature(s). A similar approach may be feasible for form CG-705A.

The Coast Guard notes that Title 46, Code of Federal Regulations, 14.207, allows shipping companies to manually or electronically prepare their own version of the form CG-705A. Although these companies creating forms require approval from the Coast Guard prior to use, they may be used in lieu of form CG-705A as long as they conform to the statutory requirements.

The Coast Guard also notes that if shipping companies elect to produce their own shipping articles form, they must be created for crewmembers as a composite. Individual shipping articles do not meet the statutory requirements.
