## DEPARTMENT OF ENERGY

### National Nuclear Security Administration

#### Agency Information Collection Extension

**AGENCY:** National Nuclear Security Administration, U.S. Department of Energy.

**ACTION:** Submission for Office of Management and Budget (OMB) review; comment request.

**SUMMARY:** The Department of Energy (DOE) has submitted a request to the OMB for the extension of information collection authorities under the provisions of the Paperwork Reduction Act of 1995. DOE requests a three-year extension of its authority to collection information for its American Assured Fuel Supply Program, OMB Control Number 1910-5173. The proposed collection is necessary for DOE to determine the eligibility of the applicants to access low enriched uranium (LEU) in the American Assured Fuel Supply (AAFS).

**DATES:** Comments regarding this collection must be received on or before February 8, 2021. If you anticipate difficulty in submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the OMB Desk Officer of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at (202) 395-4718.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent
