SUMMARY: The Department of Commerce ("Department") is postponing the preliminary determination in the antidumping duty investigation of wooden bedroom furniture from the People's Republic of China ("PRC") from April 28, 2004, until no later than June 17, 2004. This postponement is made pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act").

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On December 17, 2003, the Department published the initiation of the antidumping duty investigation of imports of wooden bedroom furniture from the PRC. See Initiation of Antidumping Duty Investigation: Wooden Bedroom Furniture from the People's Republic of China, 68 FR 70228 (December 17, 2003). The notice of initiation stated that we would make our preliminary determination for this antidumping duty investigation no later than 140 days after the date of issuance of the initiation.

On March 31, 2004, Petitioners¹ made a timely request pursuant to 19 CFR §351.205(e) for a fifty-day postponement of the preliminary determination, or until June 17, 2004. Petitioners requested postponement of the preliminary determination because it believes additional time is necessary to allow Petitioners to review the responses to the supplemental questionnaires and submit comments to the Department, and also to allow the Department time to analyze thoroughly the respondents' data and to seek additional information, if necessary.

For the reasons identified by the Petitioners, and because there are no compelling reasons to deny the request, we are postponing the preliminary determination under section 733(c)(1) of the Act. Therefore, the preliminary determination is now due no later than June 17, 2004. The deadline for the final determination will continue to be 75 days after the date of the preliminary determination.

Dated: April 6, 2004.
