**SUPPLEMENTARY INFORMATION:** The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by

FACA, council membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing the advisory councils are found at 43 CFR subpart 1784.

Individuals may nominate themselves or others for appointment by the Secretary. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographic area of the advisory committee. Nominees should demonstrate a commitment to collaborative resource decision-making. Simultaneous with this notice, the BLM Oregon State Office will issue a press release providing additional information for submitting nominations.

The Southeast Oregon and John Day-Snake RACs include the following three membership categories:

**Category One**—Holders of Federal grazing permits or leases within the area for which the RAC is organized; represent interests associated with transportation or rights-of-way; represent developed outdoor recreation, off-highway vehicle users, or commercial recreation activities; represent the commercial timber industry; or represent energy and mineral development.

**Category Two**—Representatives of nationally or regionally recognized environmental organizations; dispersed recreational activities; archaeological and historical interests; or nationally or regionally recognized wild horse and burro interest groups.

**Category Three**—Hold State, county, or local elected office; are employed by a State agency responsible for the management of natural resources, land, or water; represent Indian tribes within or adjacent to the area for which the RAC is organized; are employed as academicians in natural resource management or the natural sciences; or represent the affected public-at-large.

The Steens Mountain Advisory Council consists of 13 members that include a private landowner in the Steens Mountain Cooperative Management and Protection Area (CMPA); two representatives who are grazing permittees on Federal lands in the CMPA; a representative interested in fish and recreational fishing in the CMPA; a representative of the Burns Paiute Tribe; two representatives who are recognized environmental representatives, one of whom shall represent the State as a whole, and one of whom is from the local area; a representative who participates in dispersed recreation, such as hiking, camping, nature viewing, nature photography, bird watching, horseback

riding, or trail walking; a representative who is a recreational permit holder or is a representative of a commercial recreation operation in the CMPA; a representative who participates in mechanized or consumptive recreation, such as hunting, fishing, off-road driving, hang gliding, or parasailing; a representative with expertise and interest in wild horse management on Steens Mountain; a representative who has no financial interest in the CMPA to represent statewide interests; and one non-voting representative to serve as the State government liaison to the Council. As appropriate, certain Council members may be appointed as special Government employees (SGEs). Please be aware that applicants selected to serve as SGEs will be required, prior to appointment, to file a Confidential Financial Disclosure Report in order to avoid involvement in real or apparent conflicts of interest. You may find a copy of the Confidential Financial Disclosure Report at the following Web site: <https://www.doi.gov/ethics/oge-form-450>. Additionally, after appointment, members appointed as SGEs will be required to meet applicable financial disclosure and ethics training requirements. Please contact (202) 202–208–7960 or [DOI\\_Ethics@sol.doi.gov](mailto:DOI_Ethics@sol.doi.gov) with any questions about the ethics requirements for members appointed as SGEs.
