

Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention. Any person filing to intervene or the Commission's staff may, pursuant to section 157.205 of the Commission's Regulations under the NGA (18 CFR 157.205) file a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commentary will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (www.ferc.gov) under the "e-Filing" link.

[Docket No. CP12-488-000]

Carolina Gas Transmission Corporation; Notice of Request Under Blanket Authorization

Take notice that on July 25, Carolina Gas Transmission Corporation (Carolina

Gas), 601 Old Taylor Road, Cayce, South Carolina 29033, filed in Docket No. CP12-488-000, an application pursuant to sections 157.205 and 157.210 of the Commission's Regulations under the Natural Gas Act (NGA) as amended, to convert three existing standby compressor units at its Grover Compressor Station in Cherokee County, South Carolina, to base load service under Carolina Gas' blanket certificate issued in Docket Nos. CP06-71-000 *et al.*,¹ all as more fully set forth in the application which is on file with the Commission and open to the public for inspection.

Carolina Gas proposes to convert three existing standby 1,050 horsepower (HP) Solar Saturn turbine compressor units to base load service at the Grover Compressor Station. Carolina Gas states that it would convert the three standby compressor units to base load service in order to provide additional firm transportation capacity to three customers who have requested additional capacity on Carolina Gas' system. Carolina Gas also states that no construction, abandonment, or earth disturbance would be involved with this proposal. Carolina Gas estimates that the proposed compressor conversions would cost \$85,000 to implement.

Any questions concerning this application may be directed to Randy D. Traylor, Jr., Manager—System Planning, Carolina Gas Transmission Corporation, 601 Old Taylor Road, Cayce, South Carolina 29033, telephone (803) 217-2255, or by Email: dtraylor@scana.com.
