SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95029; File No. SR-CboeEDGX-2021-049]

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Designation of a Longer Period for Commission Action on Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change, as Modified by Amendment No. 1, To Introduce a New Data Product To Be Known as the Short Volume Report

June 2, 2022.

On November 17, 2021, Cboe EDGX Exchange, Inc. (“EDGX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Exchange Rule 13.8(h) to introduce a new data product to be known as the Short Volume Report. The proposed rule change was published for comment in the **Federal Register** on December 7, 2021.³ On January 20,

2022, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ On March 7, 2022, the Commission instituted proceedings under Section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.⁷ On March 30, 2022, the Exchange filed Amendment No. 1 to the proposed rule change, which superseded the proposed rule change as originally filed. The proposed rule change, as modified by Amendment No. 1, was published for comment in the **Federal Register** on April 28, 2022.⁸

Section 19(b)(2) of the Act⁹ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for comment in the **Federal Register** on December 7, 2021.¹⁰ The 180th day after publication of the proposed rule change is June 5, 2022. The Commission is extending the time period for approving or disapproving the proposal for an additional 60 days.

The Commission finds that it is appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change, as modified by Amendment No. 1, and the comments that have been submitted in connection therewith. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹¹ designates August 4, 2022, as the date by which the Commission should either approve or

disapprove the proposed rule change (File No. SR-CboeEDGX-2021-049), as modified by Amendment No. 1.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Assistant Secretary.

contracts issued as a small business set-aside (except as stated below), service-disabled veteran-owned small business set-aside or sole source contract, Historically Underutilized Business Zone set-aside or sole source contract, women-owned small business or economically disadvantaged women-owned small business set-aside or sole source contract, 8(a) set-aside or sole source contract, partial set-aside, or set aside of an order against a multiple award contract provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule (NMR). Note that the NMR does not apply to small business set-aside acquisitions with an estimated value between the micro-purchase threshold and the simplified acquisition threshold but continues to apply to socioeconomic set-aside and sole source acquisitions over the micro-purchase threshold.

Sections 8(a)(17)(B)(iv)(II) and 46(a)(4)(B) of the Act authorize SBA to waive the NMR for a “class of products” for which there are no small business manufacturers or processors available to participate in the Federal market. SBA identifies a “class of products” based on a combination of the six-digit NAICS code and a description of the class of products. As implemented in SBA’s regulations at 13 CFR 121.1202(c), to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or been awarded a contract to supply the class of products within the last 24 months.

In accordance with the SBA’s regulations at 13 CFR 121.1204(a)(7), SBA will periodically review existing class waivers to the NMR to determine whether small business manufacturers or processors have become available to participate in the Federal market. Upon receipt of information that such a small business manufacturer or processor exists, SBA will announce its intent to terminate the NMR waiver for a class of products. 13 CFR 121.1204(a)(7)(ii). Unless public comment reveals no small business exists for the class of products in question, SBA will publish a Final Notice of Termination in the **Federal Register**.

On February 24, 2006, SBA issued in the **Federal Register** a notice of intent to waive the NMR for Furniture Frames and Parts, Metal, Manufacturing under NAICS code 337215 and PSC 7195; Furniture Frames, Wood, Manufacturing under NAICS code 337215 and PSC

7195; Furniture Parts, Finished Plastics, Manufacturing under NAICS code 337215 and PSC 7195; Furniture, Factory-type (e.g., cabinets, stools, tool stands, work benches), Manufacturing under NAICS code 337127 and PSC 7110; Furniture, Hospital (e.g., hospital beds, operating room furniture) Manufacturing under NAICS code 339113 and PSC 7195; and Furniture, Laboratory-type (e.g., benches, cabinets, stools, tables) Manufacturing under NAICS code 337127 and PSC 7195. The notice can be found at 71 FR 9631. After the comment and notice period passed, SBA issued a class waiver for those products on June 27, 2006 (71 FR 36599).

On October 6, 2019, SBA received a request to terminate the previously issued waiver. The requester provided information that established the existence of small business manufacturers of the identified products. These small businesses have submitted bids on Federal solicitations within the past 24 months. Based on this information, SBA published a notice in the **Federal Register** on February 15, 2022, seeking comments on the termination of the class waiver for Furniture Frames and Parts, Metal, Manufacturing under NAICS code 337215 and PSC 7195; Furniture Frames, Wood, Manufacturing under NAICS code 337215 and PSC 7195; Furniture Parts, Finished Plastics, Manufacturing under NAICS code 337215 and PSC 7195; Furniture, Factory-type (e.g., cabinets, stools, tool stands, work benches), Manufacturing under NAICS code 337127 and PSC 7110; Furniture, Hospital (e.g., hospital beds, operating room furniture) Manufacturing under NAICS code 339113 and PSC 7195;¹ and Furniture, Laboratory-type (e.g., benches, cabinets, stools, tables) Manufacturing under NAICS code 337127 and PSC 7195.² That notice can be found at 87 FR 8628. There was one public comment submitted by a small business manufacturer of products listed under the identified NAICS codes. That comment was in support of termination of the class waiver.

Thus, SBA is terminating the class waiver for Furniture Frames and Parts, Metal, Manufacturing under NAICS code 337215 and PSC 7195; Furniture

Frames, Wood, Manufacturing under NAICS code 337215 and PSC 7195; Furniture Parts, Finished Plastics, Manufacturing under NAICS code 337215 and PSC 7195; Furniture, Factory-type (e.g., cabinets, stools, tool stands, work benches), Manufacturing under NAICS code 337127 and PSC 7110; Furniture, Hospital (e.g., hospital beds, operating room furniture) Manufacturing under NAICS code 339113 and PSC 7195; and Furniture, Laboratory-type (e.g., benches, cabinets, stools, tables) Manufacturing under NAICS code 337127 and PSC 7195. As the above-identified class waiver is terminated, small businesses will no longer be authorized to provide the product of any manufacturer regardless of size on the identified items, unless a Federal Contracting Officer obtains an individual waiver to the NMR.

More information on the NMR and class waivers can be found at <https://www.sba.gov/partners/contracting-officials/small-business-procurement/nonmanufacturer-rule>.
