SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C. Appendix 2), notice is hereby given for a Special Committee 200 meeting. *Modular avionics are shared, interoperable hardware and software resources that provide services to host applications performing aircraft-related functions. This committee has been established to develop recommended guidance for regulatory approval of the platform and supporting components. SC-200 will propose means to approve the modular avionics platform independent of the operational application and propose a method for transferring certification credit between stakeholders. The committee's document will include guidance for partitioning and resource management, fault management, safety and security, flight operations and maintenance, environmental qualification, configuration management, and assurance.*

The agenda will include:

- May 7-9:
- Opening Session (Welcome,

Introductory and Administrative Remarks, Review Federal Advisory Committee Act and RTCA procedures, Review Agenda, Review Terms of Reference)
