SUPPLEMENTARY INFORMATION: On September 30, 2014, the U.S. Department of Energy (DOE) published a notice of proposed rulemaking and the announcement of a public meeting in the **Federal Register** to make available and invite comments on its proposed rulemaking regarding energy conservation standards for small, large, and very large air-cooled commercial package air conditioning and heating equipment. 79 FR 58947 (Sept. 30, 2014). The notice provided for the written submission of comments by December 1, 2014, and oral comments were also accepted at a public meeting held on November 6, 2014. Various

stakeholders have requested an extension of the comment period to consider the proposed standards, the associated technical support document and analytical tools, the public meeting presentation, and to prepare and submit comments and data accordingly.

DOE has determined that reopening of the public comment period is appropriate based on the foregoing reason. DOE will consider any comments received by midnight of December 22, 2014, and deems any comments received by that time to be timely submitted.

Issued in Washington, DC, on November 25, 2014.

Reuben Sarkar,

Deputy Assistant Secretary for Transportation, Energy Efficiency and Renewable Energy.
