

more comprehensive trade information in the fixed income markets.

The Commission further finds that the proposed fees for: (1) Reporting of Agency Debt Securities and primary market transactions, (2) receipt of market data for Agency Debt Securities and primary market transactions, and (3) subscribing to "Web Browser Access" for TRACE reporting and/or market data receipt are consistent with Section 15A(b)(5) of the Act, which requires, among other things, that FINRA rules provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system that FINRA operates or controls.⁵³ These fees are similar to those that currently apply to corporate debt securities.

V. Accelerated Approval

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁵⁴ for approving the proposed rule change, as modified by Amendment No. 2 thereto, prior to the 30th day after the date of publication in the **Federal Register**. The changes proposed in Amendment No. 2 are minor and technical in nature or designed to respond to specific concerns raised by commenters. With respect to the proposed provision that would permit FINRA to suspend TRACE reporting or dissemination in certain emergency circumstances, the Commission notes that such authority could be exercised only in consultation with the Commission. Accordingly, the Commission finds that good cause exists to approve the proposal, as modified by Amendment No. 2, on an accelerated basis.

VI. Solicitation of Comments
