

(d) Subject

Joint Aircraft System Component (JASC)/ Air Transport Association (ATA) of America Code 2730; Elevator Control System.

(e) Unsafe Condition

This AD was prompted by a report of limited control yoke movement due to cushion edging jammed in the elevator control anti-rotation guide slot. We are issuing this AD to prevent failure of the elevator control system, which could result in loss of control.

(f) Compliance

Comply with this AD within the compliance times specified, unless already done.

(g) Inspect Cushion Edging

Before further flight after the effective date of this AD and repetitively thereafter at intervals not to exceed 50 hours time-in-service or at every annual inspection, whichever comes first, until the terminating action specified in paragraph (i) of this AD is done, inspect the cushion edging, part number (P/N) M22529/2-3R-25, located on each side of the elevator control anti-rotation guide slot, P/N 100-619-0008, for the pilot and co-pilot control yoke assemblies, following section 5.1 Cushion Edging Inspection of Quest Aircraft Field Service Instruction, Elevator Control System—Cushion Edging Inspection, Report No. FSI-105, Revision 00, not dated, as specified in Quest Aircraft KODIAK Mandatory Service Bulletin SB14-07, dated August 26, 2014.

(h) Replace Cushion Edging

If damage or wear is found during any inspection required in paragraph (g) of this AD, before further flight, replace the cushion edging following section 5.3 of Quest Aircraft Field Service Instruction, Elevator Control System—Cushion Edging Inspection, Report No. FSI-105, Revision 00, not dated, as specified in Quest Aircraft KODIAK Mandatory Service Bulletin SB14-07, dated August 26, 2014.

(i) Install Wear Pads (Terminating Action for the Repetitive Inspections)

Within 1 year after the effective date of this AD, remove the cushion edging, P/N M22529/2-3R-25, installed on the elevator control anti-rotation guide, and install wear pads, P/N 100-619-0037, on the elevator bearing assembly link arm following section 5. Instructions, including all subsections, of Quest Aircraft Field Service Instruction, Yoke Anti-Rotation Guide Wear Pad Upgrade, Report No. FSI-108, Revision 00, not dated, as specified in Quest Aircraft KODIAK 100 Recommended Service Bulletin SB15-01, dated March 26, 2015. Installing all four wear pads on the pilot and co-pilot arms of the elevator bearing assemblies terminates the repetitive inspections required in paragraph (g) of this AD.

(j) Alternative Methods of Compliance (AMOCs)

(1) The Manager, Seattle Aircraft Certification Office (ACO), FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14

CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900-AP10

Exempting Mental Health Peer Support Services From Copayments

AGENCY: Department of Veterans Affairs.

ACTION: Withdrawal of proposed rule.

SUMMARY: The Department of Veterans Affairs (VA) is withdrawing VA's proposed rulemaking, published in the **Federal Register** on November 28, 2014, to amend its regulation that governs VA services that are not subject to copayment requirements for inpatient hospital care or outpatient medical care. Specifically, the proposed rule would have amended the regulation to exempt mental health peer support services from having any required copayment. VA received no adverse comments concerning the proposed rule or its companion substantially identical direct final rule published in the **Federal Register** on the same date. In a

companion document in this issue of the **Federal Register**, we are confirming that the direct final rule became effective on January 27, 2015.

Accordingly, this document withdraws as unnecessary the proposed rule.

DATES: The proposed rule published on November 28, 2014, 79 FR 70941, is withdrawn as of November 5, 2015.

FOR FURTHER INFORMATION CONTACT:

Kristin J. Cunningham, Director Business Policy, Chief Business Office (10NB6), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Ave. NW., Washington, DC 20420; (202) 382-2508. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: In a proposed rule published in the **Federal Register** on November 28, 2014, 79 FR 70941, VA proposed to amend 38 CFR 17.108 to eliminate copayments for mental health peer support services. VA published a companion substantially identical direct final rule at 79 FR 70938, on the same date. The direct final rule and proposed rule each provided a 60-day comment period that ended on January 27, 2015. No adverse comments were received. Six comments that supported the rulemaking were received from the general public. One commenter also urged VA to exempt evidence-based, cost-effective primary care services from having a required copayment. This comment is outside the scope of this rulemaking, and therefore, VA is not making any changes to this rulemaking based on this comment.

Because no adverse comments were received within the comment period, VA is withdrawing the proposed rule as unnecessary. In a companion document in this issue of the **Federal Register**, VA is confirming the effective date of the direct final rule, RIN 2900-AP11, published at 79 FR 70938.
