In addition to the intergovernmental coordination required under Alternative A, a long-term management agreement with the State natural resource agencies would be needed for them to administer the current recreation area and facility. Partnerships would remain as under Alternative A.

SUPPLEMENTARY INFORMATION:

Background

On March 13, 2007, the Department of the Interior published a notice of establishment of the Committee and call for nominations in the **Federal Register** (72 FR 11373). The Committee's purpose is to provide advice and recommendations to the Secretary of the Interior (Secretary) on developing effective measures to avoid or minimize impacts to wildlife and their habitats related to land-based wind energy facilities. The Committee is expected to exist for 2 years and meet approximately four times per year, and its continuation is subject to biennial renewal. All Committee members serve without compensation. In accordance with the Federal Advisory Committee Act (5 U.S.C. App.), a copy of the Committee's charter has been filed with the Committee Management Secretariat, General Services Administration; Committee on Environment and Public Works, U.S. Senate; Committee on Natural Resources, U.S. House of Representatives; and the Library of Congress. The Secretary appointed 22 individuals to the Committee on October 24, 2007, representing the varied interests associated with wind energy development and its potential impacts to wildlife species and their habitats. The Service held five Committee meetings in 2008, and has held four meetings in 2009. All Committee meetings are open to the public. The public has an opportunity to comment at all Committee meetings.

[LLCAD06000, L14300000.0000; CACA 50611]

Public Land Order No. 7732; Partial Revocation of Power Site Reserve No. 530; California

AGENCY: Bureau of Land Management, Interior.

ACTION: Public land order.

SUMMARY: This order partially revokes a withdrawal created by an Executive Order insofar as it affects approximately 11 acres of public land withdrawn for Power Site Reserve No. 530. This order also opens the land to exchange.

DATES: *Effective Date:* June 4, 2009.

FOR FURTHER INFORMATION CONTACT: Duane Marti, Realty Specialist, at (916) 978-4675 or via e-mail at Duane_Marti@ca.blm.gov.

SUPPLEMENTARY INFORMATION: The Executive Order withdrew those portions of the public lands lying within 50 feet of the centerline of a proposed right-of-way shown on a map included in the 1914 application filed by the Coachella Valley Ice and Electric Company. The transmission line was taken out of service and removed in 1939. The Bureau of Land Management has determined that the withdrawal is no longer needed for that purpose and the partial revocation is needed to facilitate a pending land exchange.

Order

1. The Executive Order dated May 25, 1916, which established Power Site Reserve No. 530, is hereby revoked insofar as it affects the following described land:

San Bernardino Meridian

All portions of the following described lands lying within 50 feet of the center line of the right of way granted to Coachella Valley Ice and Electric Company:
