Abstract: Originally authorized under Title X, Part I, of the Elementary and Secondary Education Act, the program was initially administered through the U.S. Department of Education, which provided grants directly to over 1,825 grantees. With the reauthorization of the program under the No Child Left Behind Act, direct administration of the program was transferred to state education agencies (SEA) to administer their own grant competitions. Preliminary data shows that states have awarded approximately 1,400 grants to support more than 4,700 centers in every state in the country. The purpose of the 21st Century Community Learning Centers program (21st CCLC) program, as reauthorized under Title IV, Part B, of the No Child Left Behind Act of 2001, 4201 *et seq.*, (20 U.S. Code 7171 *et seq.*), is to provide expanded academic enrichment opportunities for children attending low-performing schools. To reflect the changes in the authorization and administration of the 21st CCLC program and to comply with its reporting requirements, the Education Department (ED) is requesting authorization for the collection of data through Web-based, data-collection modules, the Annual Performance Report, the Grantee Profile, the Competition Overview, and the State Activities module, which collectively will be housed in an application called the 21st CCLC Profile and Performance Information Collection System (PPICS). The data will continue
