(Respondent or NYISO), alleging that the NYISO's existing Participant Funding Approach results in an unjust and unreasonable rate because it causes the Complainants to incur ongoing, uncompensated risks related to System Upgrade Facilities and System Deliverability Upgrades, all as more fully explained in its complaint.

The Complainants certify that copies of the complaint were served on the contacts listed for Respondent in the Commission's list of Corporate Officials.

not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
