In creating its reports, the Council is to survey and evaluate the investment and investment-facilitating activities of stakeholders, identify and examine specific problems facing potential business investors, and examine the needs of stakeholders to inform the Council's efforts. The Council is to recommend specific solutions to the problems and needs that it identifies.

Each member is to be appointed for a term of two years and serves at the pleasure of the Secretary. The Secretary may at his/her discretion reappoint any member to an additional term or terms, provided that the member proves to work effectively on the Council and his/her knowledge and advice is still needed.

The Council consists of no more than forty (40) members appointed by the Secretary. Members are to represent companies and organizations investing, seeking to invest, seeking foreign investors, or facilitating investment across many sectors, including but not limited to:

Members shall also represent a broad range of products and services and shall be drawn from large, medium, and small enterprises, private-sector organizations that have invested or are considering investing in the United States, and other investment-related

For members selected on the basis of their interest in expanding their operations in, or transferring operations to the United States, the Council should also be balanced in terms of the size and nature of the operations under consideration for expansion or transfer.

In selecting members, priority may be given to the selection of executives, *i.e.*, Chief Executive Officer, Executive Chairperson, President, or an officer with a comparable level of responsibility.
