

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: the owners or operators of vessels intending to operate or anchor in portions of the York River, Virginia within 1000 feet of a shoreside fireworks display at the National Park Service Beach Picnic area located in approximate position 37° 14.12' N, 076° 30.25' W.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This temporary final rule only affects a limited area for one hour, alternative routes exist for maritime traffic, and advance notification via marine information broadcasts will enable mariners to plan their transit to avoid entering the restricted area.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a state, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.IC, this rule is categorically excluded from further environmental documentation. This regulation will have no impact on the environment.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; 49 CFR 1.46. Section 165.100 is also issued under authority of Sec. 311, Pub. L. 105–383.

2. Add temporary section 165.T05–019 to read as follows:

§ 165.T05–019 Safety Zone; York River, Virginia.

(a) *Location.* The following area is a safety zone: All waters of the York River, within a 1000-foot radius of a shoreside fireworks display in approximate position 37° 14.12' N, 076° 30.25' W.

(b) *Captain of the Port.* Captain of the Port means the Commanding Officer of the Marine Safety Office Hampton Roads, Norfolk, VA or any Coast Guard commissioned, warrant, or petty officer who has been authorized to act on his behalf.

(c) *Regulations.* (1) All persons are required to comply with the general regulations governing safety zones found in section 165.23 of this part.

(2) Persons or vessels requiring entry into or passage through this safety zone must first request authorization from the Captain of the Port. The Coast Guard representative enforcing the safety zone can be contacted on VHF marine band radio, channels 13 and 16. The Captain of the Port can be contacted at telephone number (757) 484–8192.

(3) The Captain of the Port will notify the public of changes in the status of this safety zone by marine information broadcast on VHF marine band radio, channel 22 (157.1 MHz).

(d) *Effective Date.* This section is in effect from 9 p.m. until 10 p.m. on July 4, 2000.

Dated: June 6, 2000.

J.E. Schinnerer,

Captain, U.S. Coast Guard, Captain of the Port Hampton Roads.

BILLING CODE 4910–15–U

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[CGD05–00–020]

RIN 2115–AA97

Safety Zone; Hill Bay, VA

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the County of Mathews fireworks display to be held on shore adjacent to Hill Bay, Mathews, Virginia. This action will restrict vessel traffic on Hill Bay within a 500-foot radius of the shoreside display. The safety zone is necessary to protect mariners and spectators from the hazards associated with the fireworks display.

DATES: This rule is effective from 9 p.m. until 10 p.m. on July 4, 2000.

ADDRESSES: You may mail comments and related material to USCG Marine Safety Office Hampton Roads, 200 Granby Street, Norfolk, VA, or deliver them to the same address between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays. USCG Marine Safety Office Hampton Roads maintains the public docket for this rulemaking. Comments and materials received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the above address between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Chief Petty Officer Roddy Corr, project officer, USCG Marine Safety Office Hampton Roads, telephone number (757) 441–3290.

SUPPLEMENTARY INFORMATION:

Request for Comments

Although this rule is being published as a temporary final rule without prior notice, an opportunity for public comment is nevertheless desirable to ensure the rule is both reasonable and workable. Accordingly, we encourage you to submit comments and related material. If you do so, please include your name and address, identify the docket number (CGD05-00-020), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related materials in an unbound format, no larger than 8.5 by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope.

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. We were not notified of the event in sufficient time to publish a NPRM, allow for comments, and publish a final rule in sufficient time to allow notice to the public for the fireworks display. In previous years, this event and similar ones have been held without incident and without comment from the public regarding the Coast Guard's establishment of limited safety zones around fireworks displays.

Background and Purpose

The Coast Guard is establishing a temporary safety zone for the County of Mathews fireworks display to be held on shore adjacent to Hill Bay, Mathews, Virginia. The safety zone will restrict vessel traffic on Hill Bay within a 500-foot radius of the fireworks display, in approximate position 37° 29.20' N, 076° 18.50' W. The safety zone is necessary to protect mariners and spectators from the hazards associated with the fireworks display.

The safety zone is effective from 9 p.m. until 10 p.m. on July 4, 2000. Additional public notifications will be made prior to the event via marine information broadcasts.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of

the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). This temporary final rule only affects a limited area for one hour, alternative routes exist for maritime traffic, and advance notification via marine information broadcasts will enable mariners to plan their transit to avoid entering the restricted area. The Coast Guard expects the economic impact of this rule to be so minimal that a full regulatory evaluation under paragraph 10(e) of the regulatory policies and procedures of the DOT is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: the owners or operators of vessels intending to operate or anchor in portions of Hill Bay within 500 feet of a shoreside fireworks display in approximate position 37° 29.20' N, 076° 18.50' W.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This temporary final rule only affects a limited area for one hour, alternative routes exist for maritime traffic, and advance notification via marine information broadcasts will enable mariners to plan their transit to avoid entering the restricted area.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of federal regulations that

require unfunded mandates. An unfunded mandate is a regulation that requires a state, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2-1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. This regulation will have no impact on the environment.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[Amended]

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; 49 CFR 1.46. Section 165.100 is also issued under authority of Sec. 311, Pub. L. 105-383.

2. Add temporary § 165.T05-020 to read as follows:

§ 165.T05-020 Safety Zone; Hill Bay, Virginia.

(a) *Location.* The following area is a safety zone: All waters of Hill Bay,

within a 500-foot radius of a shoreside fireworks display in approximate position 37°(29.20' N, 076° 18.50' W.

(b) *Captain of the Port.* Captain of the Port means the Commanding Officer of the Marine Safety Office Hampton Roads, Norfolk, VA or any Coast Guard commissioned, warrant, or petty officer who has been authorized to act on his behalf.

(c) *Regulations:* (1) All persons are required to comply with the general regulations governing safety zones found in section 165.23 of this part.

(2) Persons or vessels requiring entry into or passage through this safety zone must first request authorization from the Captain of the Port. The Coast Guard representative enforcing the safety zone can be contacted on VHF marine band radio, channels 13 and 16. The Captain of the Port can be contacted at telephone number (757) 484-8192.

(3) The Captain of the Port will notify the public of changes in the status of this safety zone by marine information broadcast on VHF marine band radio, channel 22 (157.1 MHz).

(d) *Effective Date:* This section is in effect from 9 p.m. until 10 p.m. on July 4, 2000.

Dated: June 6, 2000.

J. E. Schriener,

Captain, U.S. Coast Guard, Captain of the Port Hampton Roads.

BILLING CODE 4910-15-U

FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 67

Final Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Final rule.

SUMMARY: Base (1-percent-annual-chance) flood elevations and modified base flood elevations are made final for the communities listed below. The base flood elevations and modified base flood elevations are the basis for the floodplain management measures that each community is required either to adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: The date of issuance of the Flood Insurance Rate Map (FIRM) showing base flood elevations and modified base flood elevations for each community. This date may be obtained

by contacting the office where the FIRM is available for inspection as indicated in the table below.

ADDRESSES: The final base flood elevations for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT:

Matthew B. Miller, P.E., Chief, Hazards Study Branch, Mitigation Directorate, 500 C Street SW., Washington, DC 20472, (202) 646-3461, or (e-mail) matt.miller@fema.gov.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency makes final determinations listed below of base flood elevations and modified base flood elevations for each community listed. The proposed base flood elevations and proposed modified base flood elevations were published in newspapers of local circulation and an opportunity for the community or individuals to appeal the proposed determinations to or through the community was provided for a period of ninety (90) days. The proposed base flood elevations and proposed modified base flood elevations were also published in the **Federal Register**.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR Part 67.

FEMA has developed criteria for floodplain management in floodprone areas in accordance with 44 CFR Part 60.

Interested lessees and owners of real property are encouraged to review the proof Flood Insurance Study and FIRM available at the address cited below for each community.

The base flood elevations and modified base flood elevations are made final in the communities listed below. Elevations at selected locations in each community are shown.

National Environmental Policy Act

This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Consideration. No environmental impact assessment has been prepared.

Regulatory Flexibility Act

The Associate Director for Mitigation certifies that this rule is exempt from the requirements of the Regulatory Flexibility Act because final or modified base flood elevations are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and are required to establish and maintain community

eligibility in the NFIP. No regulatory flexibility analysis has been prepared.

Regulatory Classification

This final rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 12612, Federalism

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, dated October 26, 1987.

Executive Order 12778, Civil Justice Reform

This rule meets the applicable standards of Section 2(b)(2) of Executive Order 12778.

List of Subjects in 44 CFR Part 67

Administrative practice and procedure, Flood insurance, Reporting and recordkeeping requirements.

Accordingly, 44 CFR part 67 is amended to read as follows:

PART 67—[AMENDED]

1. The authority citation for Part 67 continues to read as follows:

Authority: 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

§ 67.11 [Amended]

2. The tables published under the authority of § 67.11 are amended as follows:

Source of flooding and location	#Depth in feet above ground. *Elevation in feet (NGVD).
IOWA	
Harrison County (Unincorporated Areas) (FEMA Docket No. 7302)	
<i>Missouri River:</i>	
Approximately 20,000 feet downstream of Highway 30	*1,005
Approximately 10,000 feet upstream of 120th Street ..	*1,032
Maps are available for inspection at the Harrison County, Emergency Management Agency, 116 North 2nd Avenue, Logan, Iowa.	
Polk County (Unincorporated Areas) (FEMA Docket No. 7306)	
<i>Beaver Creek:</i>	
At mouth (approximately 3,950 feet downstream from Northwest Beaver Drive	*805
