SUPPLEMENTARY INFORMATION:**I. Abstract**

The CHIPS Incentives Program is authorized by Title XCIX—Creating Helpful Incentives to Produce Semiconductors for America of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Pub. L. 116–283, referred to as the CHIPS Act or Act), as amended by the CHIPS Act of 2022 (Division A of Pub. L. 117–167). The CHIPS Incentives Program is administered by the CHIPS Program Office (CPO) within the National Institute of Standards and Technology (NIST) of the United States Department of Commerce (Department).

All Federal agencies administering programs subject to Davis-Bacon wage provisions are required by CFR part 5, section 5.7 (b) to submit a report of all new covered contracts/projects and all compliance and enforcement activities every six months to the Department of Labor (DOL). In order for CPO to comply with this reporting requirement, it must collect contract and enforcement information from CHIPS and Science Act Incentives Program awardees, the Department's direct contractors, and other prime contractors that administer the Department's programs subject to Davis-Bacon requirements. The Department will require that such entities complete and submit a Semi-Annual Enforcement Report every six months, by the 21st of April and the 21st of October each year.

II. Method of Collection

Submit semi-annual report to the Department 20 days after the end of semi-annual reporting period by April 20th and October 20th for applicable performance period. The CHIPS Semi-Annual Enforcement Report is due to DOL by April 30 and October 31 of each year. The April 30 report is for the reporting period from October 1 through March 31 of each year, and the October 31 report is for the reporting period from April 1 through September 30 of each year. The Department asks for the information by the 20th of the month in which it is due (*i.e.*, April 20th and October 20th), so that all reports can be combined, and a final report compiled for submission to DOL. The Department's form number is OMB 0693–XXXX.

Background

The MMPA prohibits the "take" of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and either regulations are promulgated or, if the taking is limited
