V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are in the application package.

2. *Review and Selection Process:* An additional factor we may consider in selecting an application for an award is the geographic distribution of the projects, in addition to the rank order of applicants.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* If funded, you are expected to collect data on the key GPRA performance measures for this program and report those data to the Department in your annual performance report and final performance report. At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118. We also may require more frequent performance reports in accordance with 34 CFR 75.720(c).

4. *Performance Measures:* We have identified the following key GPRA performance measures for assessing the effectiveness of this program at the end of these 2-year grants: (1) The percentage of grantees that achieve a 5 percent decrease in high-risk drinking among students served by the project (Absolute Priority One) and (2) the percentage of grantees that achieve a 5 percent decrease in violent behavior
