

specific insurance policy) be utilized to fund or guarantee lease, operating, or regulatory responsibilities?

53. Under what circumstances should bonds or other forms of financial assurance be released?

54. What are typical costs for current forms of financial assurance (e.g., performance bonds, payment bonds, captives, trusts, treasury notes, third party indemnity agreements, insurance) available on the market and identify whether these are for an individual site or overall costs? What variables are associated with these costs? If collateral is required, how much must be posted?

BOEM seeks responses to the above questions, and seeks other relevant input regarding the development of a comprehensive risk management, financial assurance, and loss prevention program. BOEM encourages all interested parties to respond to these questions and to provide comments and information relevant to the development of such a program. BOEM will determine how to proceed after analyzing the comments received as a result of this ANPR.

General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed rulemaking; extension of public comment period.

SUMMARY: The Environmental Protection Agency (EPA) is announcing that the period for providing public comments on the July 17, 2014, notice of proposed rulemaking for “General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country” is being extended by 30 days.

DATES: The public comment period for the notice of proposed rulemaking published July 17, 2014 (79 FR 41846), is being extended by 30 days to September 17, 2014, in order to provide

the public additional time to submit comments.

ADDRESSES: Written comments on the notice of proposed rulemaking may be submitted to the EPA electronically, by mail, by facsimile or through hand delivery/courier. Please refer to the notice of proposed rulemaking (79 FR 41846) for the addresses and detailed instructions. Publicly available documents relevant to this action are available for public inspection either electronically at <http://www.regulations.gov> or in hard copy at the EPA Docket Center, Room 3334, 1301 Constitution Ave. NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. A reasonable fee may be charged for copying. The EPA has established the official public docket No. EPA–HQ–OAR–2011–0151.

A copy of this document will be posted in the regulations and standards section of our new source review (NSR) home page located at <http://www.epa.gov/nsr> and on the tribal NSR page at <http://www.epa.gov/air/tribal/tribalnsr.html>.

FOR FURTHER INFORMATION CONTACT: Mr. Christopher Stoneman, Outreach and Information Division, Office of Air Quality Planning and Standards, (C304–01), U.S. EPA, Research Triangle Park, NC 27711; telephone number (919) 541–0823, facsimile number (919) 541–0072; email address: stoneman.chris@epa.gov.

SUPPLEMENTARY INFORMATION: The EPA received two requests to extend the comment period on the July 17, 2014, notice of proposed rulemaking for “General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country.” Based on the evaluation of those requests and the level of interest in the notice of proposed rulemaking, the EPA is extending the public comment period for an additional 30 days. The public comment period will end on September 17, 2014, rather than August 18, 2014. This will ensure that the public has sufficient time to review and comment on all of the information available, including the notice of proposed rulemaking and other materials in the docket.
