

Technical Assistance providers routinely hold meetings, conferences and trainings for OVW grantees to enhance the success of local projects they are implementing with VAWA grant funds. Section 218 of the Department of Justice Appropriations Act, 2008 (Title II, Division B, Pub. L. 110–161) requires the Attorney General to submit quarterly reports to the Inspector General regarding the costs and contracting procedures for certain conferences. In addition, section 1173 of Public Law 109–162, the Violence Against Women and Department of Justice Reauthorization Act of 2005 requires the Attorney General to prepare an annual report to the Chairman and ranking minority members of the Committees on the Judiciary of the Senate and of the House of Representatives that provides specified details about trainings and conferences. This new data collection form will enable OVW to collect information in order to respond to these reporting requirements in a timely manner.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the 100 respondents (Technical Assistance providers) approximately 15 minutes to complete the data collection form four times a year. The form collects basic information about conferences, meetings and trainings including location, purpose, costs, and number of attendees. This is information that is routinely collected by Technical Assistance providers in the ordinary course of business.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection form is 100 hours. It will take approximately 15 minutes for the Technical Assistance providers to complete the form four times a year.
