The Proposed Amendment

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. FAA amends § 39.13 by adding a new airworthiness directive (AD) to read as follows:

Raytheon Aircraft Company: Docket No. 2001-CE-32-AD.

(a) *What airplanes are affected by this AD?* This AD affects the following airplane models and serial numbers that are certificated in any category:

Model	Serial Nos.
58P	TJ-3 through TJ-497.
60	P-4 through P-122 and P-124 through P-126.
A60	P-123 and P-127 through P-246.

Model	Serial Nos.
B60	P-247 through P-596.
65-88	LP-1 through LP-26, LP-28, and LP-30 through LP-47.

(b) *Who must comply with this AD?*

Anyone who wishes to operate any of the above airplanes must comply with this AD.

(c) *What problem does this AD address?*

The actions specified by this AD are intended to assure that clear and complete operating instructions are visible for opening the exit doors. If not visible or understandable, this could result in the inability to open the exit doors during an emergency situation.

(d) *What actions must I accomplish to address this problem?* To address this problem, you must accomplish the following:

Actions	Compliance	Procedures
Modify the exterior door operating procedures by installing the applicable placard as specified in the service bulletin.	Within the next 100 hours time-in-service (TIS) after the effective date of this AD or within the next 12 calendar months after the effective date of this AD, whichever occurs first.	In accordance with the Accomplishment Instructions section of Raytheon Mandatory Service Bulletin SB 11-3404, Issued: June, 2001.

(e) *Can I comply with this AD in any other way?* You may use an alternative method of compliance or adjust the compliance time if:

(1) Your alternative method of compliance provides an equivalent level of safety; and
(2) The Manager, Wichita Aircraft Certification Office (ACO), approves your alternative. Submit your request through an FAA Principal Maintenance Inspector, who may add comments and then send it to the Manager, Wichita ACO.

Note: This AD applies to each airplane identified in paragraph (a) of this AD, regardless of whether it has been modified, altered, or repaired in the area subject to the requirements of this AD. For airplanes that have been modified, altered, or repaired so that the performance of the requirements of this AD is affected, the owner/operator must request approval for an alternative method of compliance in accordance with paragraph (e) of this AD. The request should include an assessment of the effect of the modification, alteration, or repair on the unsafe condition addressed by this AD; and, if you have not eliminated the unsafe condition, specific actions you propose to address it.

(f) *Where can I get information about any already-approved alternative methods of compliance?* Contact Steven E. Potter, Aerospace Engineer, Wichita Aircraft Certification Office, FAA, 1801 Airport Road, Mid-Continent Airport, Wichita, Kansas 67209; telephone: (316) 946-4124; facsimile: (316) 946-4407.

(g) *What if I need to fly the airplane to another location to comply with this AD?* The FAA can issue a special flight permit under sections 21.197 and 21.199 of the Federal Aviation Regulations (14 CFR 21.197 and 21.199) to operate your airplane to a location where you can accomplish the requirements of this AD.

(h) *How do I get copies of the documents referenced in this AD?* You may get copies of the documents referenced in this AD from

FEDERAL MINE SAFETY AND HEALTH REVIEW COMMISSION

29 CFR Part 2700

Procedural Rules

AGENCY: Federal Mine Safety and Health Review Commission.

ACTION: Notice of proposed rulemaking; withdrawal.

SUMMARY: This action withdraws a notice of proposed rulemaking that proposed adding a new procedural rule setting forth settlement procedures for cases that come before the Federal Mine Safety and Health Review Commission. The new procedures were to be instituted as a pilot program for a two-year trial period. Since the issuance of the notice of proposed rulemaking, the Commission has reevaluated the pilot program and has determined that withdrawal of the notice is appropriate at this time.

FOR FURTHER INFORMATION CONTACT:

Norman M. Gleichman, General Counsel, Federal Mine Safety and Health Review Commission, 1730 K Street, NW., 6th Floor, Washington, DC 20006; telephone 202-653-5610 (202-

653-2673 for TDD relay). Telephone numbers are not toll-free.

SUPPLEMENTARY INFORMATION: On November 10, 1999, the Commission issued a notice of proposed rulemaking, which proposed amending its procedural rules, 29 CFR part 2700, by adding a new procedural rule setting forth settlement procedures which were intended to facilitate and promote the pre-hearing settlement of contested cases that come before the Commission (64 FR 61236-39). The Commission's procedural rules are currently silent regarding procedures to be utilized by administrative law judges ("ALJs") to facilitate the settlement of contested cases. The procedures used in a given case to foster pre-hearing settlement of disputes have been determined informally by the individual ALJ assigned to the case. The proposed rule, 29 CFR 2700.85, was intended to provide a structured and formal system for settlement, which would be initiated by the appointing of a settlement judge on the motion of any party or on the chief administrative law judge's own initiative.

In response to a request by the Department of Labor's Office of the Solicitor, the Commission extended the comment period on the proposed rule for 30 days. 64 FR 68649 (Dec. 8, 1999). The Commission subsequently received comments suggesting, in part, that the settlement procedures should be initiated with the consent of all parties. In considering those comments, the Commission further examined the percentage of cases that settled and the length of time it took to reach settlement under the current informal system. Based upon that examination, the Commission has reconsidered the utility of a formal settlement system at the present time, and shall further evaluate the best means of effectuating the consensual resolution of disputes.

Withdrawal of the notice of proposed rulemaking constitutes only such action, and does not preclude the Commission from issuing another notice in the future, nor does it commit the Commission to any course of action in the future.

Regulatory Impact

Since this action only withdraws a notice of proposed rulemaking, it is neither a proposed nor a final rule and therefore is not covered under Executive Order 12866, or the Regulatory Flexibility Act (5 U.S.C. 601-612).
