An EA for the Proposed Refinements has been prepared by LMDC, as lead agency, in cooperation with HUD and the Port Authority. Based on this assessment, LMDC has determined that the Proposed Refinements will not, either individually or cumulatively, have a significant impact on the quality of the human environment or a significant adverse environmental impact not already analyzed and disclosed in the FGEIS for the Proposed Action. Therefore, a supplemental environmental impact statement will not be undertaken under NEPA or SEQRA. LMDC will not take any administrative action on the Proposed Refinements prior to the expiration of the comment period.
