OMB Control Number: 3060–XXXX.

Title: Wireless E911 Location Accuracy Requirements.

Form Number: N/A.

Type of Review: New Collection.

Respondents: Business or other for-profit entities; and/or State, local or tribal governments.

Number of Respondents: 4,394 respondents; 29,028 responses.

Estimated Time per Response: 2–10 hours.

Frequency of Response:

Recordkeeping, reporting, and third-party disclosure requirements.

Obligation to Respond: Voluntary. Statutory authority for this information collection is contained in 47 U.S.C. Sections 1, 2, 4(i), 7, 10, 201, 214, 222, 251(e), 301, 302, 303, 303(b), 303(r), 307, 307(a), 309, 309(j)(3), 316, 316(a), and 332 of the Communications Act of 1934, as amended.

Total Annual Burden: 143,138 hours.

Total Annual Cost: N/A.

Privacy Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: None.

Needs and Uses: Section 20.18(i)(2)(ii)(A) rule requires that, within three years of the effective date of rules, CMRS providers shall deliver to uncompensated barometric pressure data from any device capable of delivering such data to PSAPs. This requirement is necessary to ensure that PSAPs are receiving all location information possible to be used for dispatch. This requirement is also necessary to ensure that CMRS providers implement a vertical location solution in the event that the proposed “dispatchable location” solution does not function as intended by the three-year mark and beyond.

Section 20.18(i)(2)(ii)(B) requires that the four nationwide providers submit to the Commission for review and approval a reasonable metric for z-axis (vertical) location accuracy no later than 3 years from the effective date of rules.

The requirement is critical to ensure that the vertical location framework adopted in the Fourth Report and Order is effectively implemented.

Section 20.18(i)(2)(iii) requires CMRS providers to certify compliance with the Commission’s rules at various benchmarks throughout implementation of improved location accuracy. This requirement is necessary to ensure that CMRS providers remain “on track” to reach the goals that they themselves agreed to.

Section 20.18(i)(2)(iv) provides that PSAPs may seek Commission enforcement of the location accuracy requirements within their geographic service area, as long as they have implemented policies that are designed to obtain all location information made available by CMRS providers when initiating and delivering 911 calls to the PSAP, and, prior to seeking Commission enforcement, a PSAP must provide the CMRS provider with 30 days written notice, and the CMRS provider shall have an opportunity to address the issue informally.

Section 20.18(i)(3)(i) requires that within 12 months of the effective date, the four nationwide CMRS providers must establish the test bed described in the Fourth Report and Order, which will validate technologies intended for indoor location. The test bed is necessary for the compliance certification framework adopted in the Fourth Report and Order.

Section 20.18(i)(3)(ii) requires that beginning 18 months from effective date of rules, nationwide CMRS providers providing service in any of the six Test Cities identified by ATIS (Atlanta, Denver/Front Range, San Francisco, Philadelphia, Chicago, and Manhattan Borough of New York City) must collect and report aggregate data on the location technologies used for live 911 calls. This reporting requirement is necessary to validate and verify the compliance certifications made by CMRS providers.

Section 20.18(i)(3)(iii) requires that CMRS providers shall retain testing and live call data gathered pursuant to this section for a period of 2 years.

Section 20.18(i)(4)(i) and (ii) require that no later than 18 months from the effective date, each CMRS provider shall submit to the Commission its plan for implementing improved indoor location accuracy and a report on its progress toward doing so. Non-nationwide CMRS providers will have an additional 6 months to submit their progress reports. All CMRS providers shall provide an additional progress report no later than 36 months from the effective date of the adoption of this rule. The 36-month reports shall indicate what progress the

provider has made consistent with its implementation plan.

Section 20.18(i)(4)(iii) requires that prior to activation of the NEAD but no later than 18 months from the effective date of the adoption of this rule, the nationwide CMRS providers shall file with the Commission and request approval for a security and privacy plan for the administration and operation of the NEAD. This requirement is necessary to ensure that the four nationwide CMRS providers are building in privacy and security measures to the NEAD from its inception.

Section 20.18(i)(4)(iv) requires that before use of the NEAD or any information contained therein, CMRS providers must certify that they will not use the NEAD or associated data for any non-911 purpose, except as otherwise required by law. This requirement is necessary to ensure the privacy and security of any personally identifiable information that may be collected by the NEAD.

Section 20.18(j) requires CMRS providers to provide standardized confidence and uncertainty (C/U) data for all wireless 911 calls, whether from outdoor or indoor locations, on a per-call basis upon the request of a PSAP. This requirement will serve to make the use of C/U data easier for PSAPs.

Section 20.18(k) requires that CMRS providers must record information on all live 911 calls, including, but not limited to, the positioning source method used to provide a location fix associated with the call, as well as confidence and uncertainty data. This information must be made available to PSAPs upon request, as a measure to promote transparency and accountability for this set of rules.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–0233]

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as

required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before July 27, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele at (202) 418–2991.

OMB Control No: 3060–0233.

Title: Part 54, High-Cost Loop Support Reporting to National Exchange Carrier Association (NECA).

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 1,095 respondents; 1,515 responses.

Estimated Time per Response: 22 hours.

Frequency of Response: On occasion reporting requirement, annual reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory

authority for information collection is contained in 47 U.S.C. 151, 154(i), and (j), 221(c) and 410(c).

Total Annual Burden: 33,330 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact.

Nature and Extent of Confidentiality: No assurance of confidentiality has been given regarding the information.

Need and Uses: In order to determine which carriers are entitled to high-cost loop support, rate-of-return incumbent local exchange carriers (LECs) must provide the National Exchange Carrier Association (NECA) with the loop cost and loop count data required by 47 CFR 54.1305 of the Commission's rules for each of its study areas and, if applicable, for each wire center (that term is defined in 47 CFR part 54). The loop cost and loop count information is to be filed annually with NECA by July 31st of each year, and may be updated occasionally pursuant to 47 CFR 54.1306. Pursuant to section 54.1307, the information filed on July 31st of each year will be used to calculate universal service support for each study area and is filed by NECA with the Commission by October 1 of each year. An incumbent LEC is defined as a carrier that meets the definition of "incumbent local exchange carrier" in 47 CFR 51.5 of the Commission's rules.

The reporting requirements are necessary to implement the congressional mandate for universal service. The requirements are necessary to verify that rate-of-return LECs are eligible to receive universal service support. Information filed with NECA pursuant to section 54.1305 is used to calculate universal service support payments to eligible carriers. Without this information, NECA and USAC (Universal Service Administration Company) would not be able to calculate such payments to eligible carriers.

Federal Communications Commission.

BILLING CODE 6712–01–P

FEDERAL HOUSING FINANCE AGENCY

[No. 2015–N–03]

Notice of Establishment of Housing Price Index

AGENCY: Federal Housing Finance Agency.

ACTION: Notice and Request for Input.

SUMMARY: The Federal Housing Finance Agency (FHFA) is establishing and shall maintain a method for assessing the national average single-family house price for use in adjusting the conforming loan limits of Fannie Mae and Freddie Mac (the "Enterprises"). For these purposes, FHFA has considered a number of different measures, including the House Price Index maintained by the Office of Federal Housing Enterprise Oversight (OFHEO) of the Department of Housing and Urban Development before the effective date of the Federal Housing Finance Regulatory Reform Act of 2008.¹ FHFA also considered house price indexes of the Bureau of the Census of the Department of Commerce as well as other privately-produced indexes.²

FHFA intends to use the FHFA "expanded-data" house price index (HPI)—an index it publishes on a quarterly basis—to adjust the conforming loan limit. This Notice solicits public input. Once public input is reviewed, another Notice will be published describing FHFA's final determination.

DATES: FHFA will accept input on the Notice on or before July 27, 2015. For additional information, see

SUPPLEMENTARY INFORMATION.

ADDRESSES: You may submit your input on the Notice, identified by "Notice No. 2015–N–03," by any of the following methods:

- *Agency Web site:* <https://www.fhfa.gov/AboutUs/Contact/Pages/Request-for-Information-Form.aspx>.
- *Hand Delivery/Courier to:* Alfred M. Pollard, General Counsel, Attention: Input/Notice No. 2015–N–03, Federal Housing Finance Agency, Constitution Center, 400 Seventh Street SW., Eighth Floor, Washington, DC 20024. Deliver the package to the Seventh Street Entrance Guard Desk, First Floor, on business days between 9 a.m. and 3 p.m.
- *U.S. Mail Service, United Parcel Service, Federal Express, or other commercial delivery service to:* Alfred M. Pollard, General Counsel, Attention: Input/Notice No. 2015–N–03, Federal Housing Finance Agency, Constitution Center, 400 Seventh Street SW., Eighth Floor, Washington, DC 20024.

FOR FURTHER INFORMATION CONTACT: Andrew Leventis, Principal Economist, 202–649–3199, Andrew.Leventis@fhfa.gov, or Jamie Schwing, Associate

¹ Division A of the Housing and Economic Recovery Act of 2008, Pub. L. No 110–289, 122 Stat. 2654, 2659 (2008). Note that OFHEO was one of the predecessor agencies to FHFA.

² The S&P/Case-Shiller and CoreLogic house prices indexes, for instance, were considered.
