FCC Seeks Comment on Proposed Application Limit for NCE FM New Station Applications in October 12-October 19, 2007 Window

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Commission seeks comment on a proposed application limit in the noncommercial educational FM broadcast application filing window scheduled for October 12-October 19, 2007. The purpose of the proposed limit is to deter speculation and permit the expeditious processing of applications filed in the window. The Commission tentatively concludes that an appropriate limit for any party is an attributable interest in no more than ten applications for new noncommercial educational FM broadcast stations filed in the window, excluding major modification applications and pending applications.

DATES: Comments are due September 6, 2007. Reply comments are due September 17, 2007. 47 CFR 1.4(b)(1) governs the calculation of such filing dates.
