Notice of Inventory Completion: Field Museum, Chicago, IL

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Field Museum has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after March 25, 2024.

ADDRESSES: Helen Robbins, Repatriation Director, Field Museum, 1400 S Lake Shore Drive, Chicago, IL 60605, telephone (312) 665-7317, email hrobbins@fieldmuseum.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Field Museum, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, four individuals have been reasonably identified. No associated funerary objects are present. The human remains are hair clippings belonging to four individuals, identified with the tribal designations "Klamath" and "Modoc" (Field Museum catalog numbers 193211.7, 193212.4, 193216.10, and 193216.12). Field Museum staff believe they were collected under the direction of Franz Boas and Frederick Ward Putnam for the 1893 World's Columbian Exposition in Chicago. The hair clippings were accessioned into the Field Museum's collection in 1939. No information regarding the individual's

name, sex, age, or geographic location has been found. There is no known presence of any potentially hazardous substances.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains describes in this notice.

Determinations

The Field Museum has determined that:

- The human remains described in this notice represent the physical remains of four individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Klamath Tribes and the Modoc Nation.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after March 25, 2024. If competing requests for repatriation are received, the Field Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The Field Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: February 14, 2024.

Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the Arkansas Archeological Survey.

Consultation

A detailed assessment of the human remains was made by the FBI professional staff in consultation with representatives of tribal partners between 2018 and 2023, and finally on November 8, 2023, in Shawnee, Oklahoma. Conversations between the ARAS, Osage Nation, and Quapaw Nation continued after that point. On December 4th, 2023, a decision was made for the Quapaw to move forward in affiliation with the human remains.

History and Description of the Remains
