SUPPLEMENTARY INFORMATION:

Additions

On 1/15/2021, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed additions to the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51-2.3.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the service(s) to the Government.
2. The action will result in authorizing small entities to furnish the service(s) to the Government.
3. There are no known regulatory alternatives which would accomplish

the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service(s) proposed for addition to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Service(s)

Service Type: Custodial and Related Services
Mandatory for: GSA PBS Region 5, John W. Bricker Federal Building Parking Garage, Columbus, OH

Designated Source of Supply: VGS, Inc., Cleveland, OH

Contracting Activity: PUBLIC BUILDINGS SERVICE, PBS R5

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the General Services Administration's Public Building Service Region 5 contract. The Federal customer contacted, and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the General Services Administration will refer its business elsewhere, this addition must be effective on April 30, 2021, ensuring timely execution for a May 1, 2021, start date while still allowing 14 days for comment. Pursuant to its own regulation 41 CFR 51-2.4, the Committee determined that no severe adverse impact exists. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on January 15, 2021, and did not receive any comments from any interested persons, including from the incumbent contractor. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne Program who otherwise face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Deletions

On 3/12/2021, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed deletions from the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51-2.3.

After consideration of the relevant matter presented, the Committee has determined that the service(s) listed

below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action may result in authorizing small entities to furnish the service(s) to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the service(s) deleted from the Procurement List.

End of Certification

Accordingly, the following service(s) are deleted from the Procurement List:

Service(s)

Service Type: Grounds Maintenance

Mandatory for: Defense Commissary Agency, China Lake Naval Air Weapons Station Commissary, China Lake, CA

Contracting Activity: DEFENSE COMMISSARY AGENCY (DECA), DEFENSE COMMISSARY AGENCY

SUPPLEMENTARY INFORMATION:

Title: Core Principles and Other Requirements for Swap Execution Facilities (OMB Control No. 3038–0074). This is a request for extension of a currently approved information collection.

Abstract: Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”) added new section 5h to the Commodity Exchange Act (“CEA”) to impose requirements concerning the registration and operation of swap execution facilities (“SEFs”), which the Commission has incorporated in part 37 of its regulations. These information collections are needed for the Commission to ensure that SEFs comply with these requirements. Among other requirements, part 37 of the Commission's regulations imposes SEF registration requirements for a trading platform or system, obligates SEFs to provide transaction confirmations to swap counterparties, and requires SEFs to comply with 15 core principles. Collection 3038–0074 was created in response to the part 37 regulatory requirements for SEFs.

In April 2018, the Commission published a 30-Day Notice of Intent to Renew Collection 3038–0074 (30-Day Renewal Notice) and stated that 25 SEFs were registered with the Commission.² However, since publication of the 30-Day Renewal Notice, the Commission has granted permanent registration to several additional SEFs, while others SEFs have had their registrations vacated or have been deemed dormant under part 40 of the Commission regulations, for a total of 21 registered SEFs.³ Therefore, on January 19, 2021,

² 83 FR 15557 (Apr. 21, 2018).

³ This includes 20 SEFs that are currently registered with the Commission and one dormant SEF that is in the process of filing for reinstatement
