Overview of This Information Collection

(1) *Type of Information Collection:* New Collection.

(2) *Title of the Form/Collection:* Understanding Trends in Hate Crimes Against Immigrants and Hispanic Americans.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: ?. National Institute of Justice, Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Law enforcement chiefs and sheriffs. Secondary: Patrol officers, directors of advocacy organizations for immigrants, and clients of immigration advocacy organizations. While there has been great progress in understanding and measuring hate crime, many fundamental questions remain unanswered. To address these questions, we are employing a multi-method analysis of hate crime in the United States with a special focus on trends in crimes against Hispanic Americans and others perceived to be immigrants. The first phase of the project, already complete, involved gathering and analyzing relevant secondary data sets. Phase two of the project will involve a survey of a sample of 500 police departments, focus groups with law enforcement personnel and NGOs addressing hate crime in five selected sites, and interviews with expert law enforcement practitioners, trainers and researchers.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: We hope to gather 500 responses to the law enforcement survey. Agencies selected for the survey will be based on a disproportionate stratified random sample design with oversampling of agencies serving populations over 50,000. Further, we estimate that we will conduct about 20 focus groups, with about eight individuals each, and at least 60 individual interviews. The table below shows the estimated number of respondents for each portion of data collection.

State	Arizona	California	Michigan	New Jersey	Texas
Law Enforcement Survey					
Police Chiefs	64	174	79	82	101

State	Arizona	California	Michigan	New Jersey	Texas
Focus Groups					
Patrol Officers	16	16	16	16	16
Clients of NGOs	16	16	16	16	16
One-on-One Interviews					
Law Enforcement	6	6	6	6	6
NGO directors	6	6	6	6	6

The law enforcement survey will take about 30 minutes to complete. Each of the focus groups will last for approximately one hour. Individual

interviews will last between 30 minutes and one hour.

(6) An estimate of the total public burden (in hours) associated with the

collection: There are an estimated 470 annual total public burden hours associated with this collection.

Task	Estimated time (minutes)	Total participants	Total minutes per task
Law Enforcement Survey	30	500	15,000
Focus Groups	60	160	9,600
Interviews	60	60	3,600
Total			28,200 (=470 hours)
