Use of Foreign Return Addresses on Domestic Mailpieces

SUPPLEMENTARY INFORMATION: All submitted comments and attachments are part of the public record and subject to disclosure. Do not enclose any material in your comments that you consider to be confidential or inappropriate for public disclosure.

Effective April 1, 2023, DMM subsection 602.1.5.4, *Using Return Addresses*, was amended by publication in Postal Bulletin 22619 (3-9-23) to eliminate an exception that allowed a domestic mailpiece to have a foreign return address in certain circumstances as a courtesy. The Postal Service is proposing to further amend subsection 602.1.5.4 and various other subsections in the DMM to clarify the procedures applicable to the undeliverable domestic mailpieces bearing a foreign return address.

The elimination of the courtesy exception allowing foreign return addresses on domestic mailpieces under certain circumstances requires amendment of the procedures that apply to undeliverable domestic mailpieces bearing a foreign return address, which are no longer authorized under DMM 602.1.5.4. Therefore, the Postal Service is proposing to revise DMM subsections 602.1.5.4, and 609.4.3, to clarify procedures applicable to undeliverable

domestic mailpieces bearing a foreign return address.

The Postal Service is authorized pursuant to 39 U.S.C. 404(a)(1) to provide for the disposition of undeliverable mail. However, for the Postal Service to incur destination country delivery charges as a result of attempting to return certain undeliverable domestic mailpieces with a foreign return address is not practicable. Thus, under this proposed rule, such mailpieces would be handled by the Postal Service, in accordance with Postal Service's dead mail procedures.

In addition, if the proposed rule is adopted the Postal Service would also revise a few related sections of the International Mail Manual (IMM) including subsection 762.2, *Undeliverable Domestic Mail Bearing U.S. Postage and a Foreign Return Address*.

The Postal Service is proposing to implement this change effective January 1, 2024.

We believe the proposed revisions will provide customers with a more efficient mailing experience. Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the following proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations. See 39 CFR 111.1.

If the proposed rule is adopted, we will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.
