

The discussion of independent government cost estimates prior to the development of the Request for Proposals for the NAEP 2007–2012 contracts is necessary for ensuring that NAEP contracts meet congressionally mandated goals and adhere to Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program and would provide an advantage to potential bidders attending the meeting. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On March 2, the full Board will meet in open session from 8:30 a.m. to 12:15 p.m. From 8:30 a.m. to 9 a.m. the Board will approve the agenda, followed by welcome remarks and Oath of Office ceremonies for new Board members. The Board will then receive the Executive Director's report and hear an update on the work of the National Center for Education Statistics (NCES).

From 9:45 a.m. to 12:15 p.m. on March 2, the Board's standing committees—the Assessment Development Committee; the Committee on Standards, Design and Methodology; and the Reporting and Dissemination Committee—will meet in open session.

On March 2, the full Board will meet in closed session from 12:15 p.m. to 1:45 p.m. The Board will receive a briefing provided by the Associate Commissioner of the National Center for Education Statistics on secure national student achievement data related to upcoming NAEP reports, including results for the 2006 assessments in U.S. history and in civics, and a report comparing NAEP and state proficiency standards. The Governing Board will be provided with embargoed data that cannot be discussed in an open meeting prior to their official release. The meeting must therefore be conducted in closed session as disclosure of data would significantly impede implementation of The Nation's Report Card initial release activities, as protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On March 2 from 2 p.m. to 3 p.m. the Board will discuss and take action on the NAEP 2011 Writing Framework. Thereafter, the full Board will meet in closed session from 3 p.m. to 4 p.m. to receive a secure briefing on the pilot study results from the 2006 NAEP Economics Achievement Level Setting for Grade 12. This briefing will involve

discussion of secure NAEP performance results, achievement level findings from the pilot study, and secure NAEP questions. These data constitute a major basis for the national release of the NAEP Grade 12 Economics results, and cannot be released in an open meeting prior to the official release of the reports. The meeting must therefore be conducted in closed session as disclosure of data would significantly impede implementation of the NAEP release activities, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On March 3, the Nominations Committee will meet in closed session from 7:30 a.m. to 8:30 a.m. to review and discuss confidential information regarding nominees received for Board vacancies for terms beginning on October 1, 2007. The Nominations Committee will prepare a final slate of candidates for each Board vacancy and make recommendations to the full Board. The full Board will then consider these nominations in closed session on March 3 from 9 a.m. to 9:30 a.m. During this closed session, the full Board will review and take action on the final slate of candidates for open Board positions. After review, the Board will submit the recommended candidates to the Secretary of Education for her review and action. These discussions pertain solely to internal personnel rules and practices for an agency and will disclose information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 U.S.C.

The full Board will meet in open session on March 3 from 9:30 a.m. to 12 noon. From 9:30 a.m. to 10 a.m. the Board will discuss academic standards initiatives. Board actions on policies and Committee reports are scheduled to take place between 10:15 a.m. and 12 p.m., upon which the March 3, 2007 session of the Board meeting will adjourn.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9 a.m. to 5 p.m. Eastern Standard Time.

Dated: February 6, 2007.

Charles E. Smith,

Executive Director, National Assessment Governing Board.
