Notice of Inventory Completion: Indiana University of Pennsylvania, Indiana, PA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Indiana University of Pennsylvania (IUP) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were removed from western Pennsylvania.

DATES: Repatriation of the human remains in this notice may occur on or after May 17, 2023.

ADDRESSES: Andrea Palmiotto, Indiana University of Pennsylvania, 1011 South Street, Indiana, PA 15705, telephone (724) 357–2841, email apalmiot@iup.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of IUP. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by IUP.

Description

Human remains representing, at minimum, one individual were removed from Allegheny County, PA. The human remains were examined by the Allegheny County Coroner in 1976, and they were donated to Indiana University of Pennsylvania at an unknown date. The human remains consist of a partial cranium, mandible, vertebra, and right femur. No known individual was identified. No associated funerary objects are present.

Human remains representing, at minimum, one individual were removed

from a location in western Pennsylvania. At an unknown date, an avocational collection known as the Cochran Collection was donated to IUP and, subsequently, the collection was found to contain these human remains. The human remains consist of a manual phalanx (finger bone). No known individual was identified. No associated funerary objects are present.

Cultural Affiliation

The human remains in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: anthropological, biological, geographical, historical, and other relevant information.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the IUP has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- There is a relationship of shared group identity that can be reasonably traced between the human remains described in this notice and the Seneca Nation of Indians.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after May 17, 2023. If competing requests for repatriation are received, IUP must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. IUP is responsible

for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.10, and 10.14.

Dated: March 29, 2023.

Notice of Inventory Completion: Lindsay Wildlife Museum, Walnut Creek, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Lindsay Wildlife Museum has completed an inventory of human remains and has determined that there is no cultural affiliation between the human remains and any Indian Tribe. The human remains were removed from an unknown location but were likely removed from in or around Walnut Creek, Contra Costa County, CA.

DATES: Disposition of the human remains in this notice may occur on or after May 17, 2023.

ADDRESSES: Christina Schwandt, Curator of Education, Lindsay Wildlife Museum, 1931 First Avenue, Walnut Creek, CA 94530, telephone (925) 627–2913, email cschwandt@lindsaywildlife.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Lindsay Wildlife Museum. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by Lindsay Wildlife Museum.

Description

Human remains representing, at minimum, four individuals were removed from unknown location(s). These partial human remains were at

the Lindsay Wildlife Collection before 1965 when the museum started keeping records for its collection. The Lindsay Wildlife Collection started as a private collection by Alexander "Sandy" Lindsay to share his curiosity and passion for the natural world with the people of Walnut Creek, CA. Mr. Lindsay focused his collection on specimens and objects acquired in or around Walnut Creek, Contra Costa County, CA. No associated funerary objects are present.

Aboriginal Land

The human remains and associated funerary objects in this notice were removed from unknown geographic locations, most likely near Walnut Creek, Contra Costa County, CA. This location is the aboriginal lands of one or more Indian Tribes. The following information was used to identify the aboriginal land: treaties.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes, the Lindsay Wildlife Museum has determined that:

- The human remains described in this notice represent the physical remains of four individuals of Native American ancestry.
- No relationship of shared group identity can be reasonably traced between the human remains and any Indian Tribe.
- The human remains and associated funerary objects described in this notice were removed from the aboriginal land of the California Valley Miwok Tribe, California; Scotts Valley Band of Pomo Indians of California; and the Tule River Indian Tribe of the Tule River Reservation, California.

Requests for Disposition

Written requests for disposition of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for disposition may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization, or who shows that the requestor is an aboriginal land Indian Tribe.

Disposition of the human remains described in this notice to a requestor may occur on or after May 17, 2023. If competing requests for disposition are

received, Lindsay Wildlife Museum must determine the most appropriate requestor prior to disposition. Requests for joint disposition of the human remains are considered a single request and not competing requests. Lindsay Wildlife Museum is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9 and 10.11.

Dated: April 6, 2023.

Notice of Inventory Completion: Pioneer Museum, Blue Licks Battlefield State Resort, Kentucky Department of Parks, Carlisle, KY

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Pioneer Museum, Blue Licks Battlefield State Resort Park, Kentucky Department of Parks has completed an inventory of human remains and has determined that there is no cultural affiliation between the human remains and any Indian Tribe. The human remains were removed from Franklin County, KY.

DATES: Disposition of the human remains in this notice may occur on or after May 17, 2023.

ADDRESSES: Jennifer Spence, Parks Museum Curator, Kentucky Department of Parks, 500 Mero Street, 5th Floor, Frankfort, KY 40601, telephone (502) 892-3339, email Jennifer.spence@ky.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Kentucky Department of Parks. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the Kentucky Department of Parks.

Description

Human remains representing, at minimum, three individuals were removed from Franklin County, KY. The human remains were collected from an unknown site in Franklin County, KY, sometime between May 29 and May 31, 1966, based on a handwritten note found with the human remains during an inventory project at the Pioneer Museum in January of 2021. No known individuals were identified. No associated funerary objects are present.

Aboriginal Land

The human remains in this notice were removed from known geographic locations. These locations are the aboriginal lands of one or more Indian Tribes. The following information was used to identify the aboriginal land: a treaty.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes, the Kentucky Department of Parks has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.
- No relationship of shared group identity can be reasonably traced between the human remains and any Indian Tribe.
- The human remains described in this notice were removed from the aboriginal land of the Absentee-Shawnee Tribe of Indians of Oklahoma; Cherokee Nation; Eastern Band of Cherokee Indians; Eastern Shawnee Tribe of Oklahoma; Shawnee Tribe; The Osage Nation; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

Requests for Disposition

Written requests for disposition of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for disposition may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization, or who shows that the requestor is an aboriginal land Indian Tribe.

Disposition of the human remains and described in this notice to a requestor may occur on or after May 17, 2023. If competing requests for disposition are
